If you have concerns about meeting tight deadlines, we strongly encourage you to order your own phone (see section on telephones).

TELEVISION NETWORKS, RADIO NETWORKS, COACHES BOOTH, DINING AREA (Level 4) - This level is reserved for television networks that are doing the game on a live or delayed basis. PHOTO DECK (Level 5) - This deck offers a spacious area for all video cameras that are covering the game. This area also will be used for filming by each of the coaching staffs. Security and Game Operation booths are also located on this level.

► Sidelines

The University of Florida follows NCAA and SEC rules regarding media representatives on the sidelines. Photographers are not permitted to shoot between the 25 yard lines and they must wear a photo vest and photo patch at all times. No credentials will be issued to free-lance photographers, cut-line writers, equipment carriers, or radio station representatives except for the two originating networks. A "photo only" zone has been established on the Florida Field sidelines. Only people wearing a photo vest and photo patch with photo or video equipment will be permitted in this area.

► Credentials

PRESS BOX - All members of the media covering the game

Once again in 1989 the University of Florida received a Press Box Merit Award from the Football Writers Association of America for superior press box facilities and gameday operations.

in a working capacity must seek appropriate credentials in **advance** from Norm Carlson. We would appreciate receiving these requests as early as possible. Requests for **working** space in the press box and photo credentials for the sidelines will be honored from Sports Editors of DAILY Newspapers and Sports Director of Television Stations ONLY. Due to the heavy demand for working space, credentials for radio stations are limited to immediate Gainesville area stations and the two broadcast network crews doing the game. Any radio station seeking in-game and post-game reports can receive them by calling the SID Office in advance to make proper arrangements with our staff. Request for working credentials must be made in **advance in writing** to Norm Carlson. Spouses, dates, non-workers, and anyone 16 years of age or younger, are not permitted in the press box. Violators will not be tolerated. Media agencies that violate this policy will not be issued credentials for future games.

SIDELINE CREDENTIALS — Media representatives with a gameday sideline credential form must report to the Press Elevator Lobby prior to the game. When you present the appropriate letter and identification, a sideline photo vest and photo patch will be issued at that time. Your game credential or letter will not gain admittance to the photo zone on the sidelines. You must have a vest. Media reps wearing photo vests with appropriate patch will be the only people that will be permitted to enter the "Photo-Only" zone.

► Press Will Call

Late requested game credentials and parking passes that cannot be mailed can be picked up at "Press Will Call" in the Press Box Elevator Lobby. Game stand tickets that have been ordered

by the media must be picked up at the regular Will Call Window at Gate 2 which is right next to the Press Box Elevator Lobby.

► Parking

Media parking is located on Fleming Field, just outside the north endzone off University Avenue. You should request your parking credential at the same time you request your game day working credential. Parking credentials are limited. If time permits, both of these credentials will be mailed. If time doesn't permit the parking credential to be mailed, you will have to pick it up at the Press Box Elevator Lobby before gaining admittance to the press parking area.

► Hotel Rooms

The SID office has a limited number of rooms reserved in the area. We would be glad to assist you with a hotel room if you get in touch with us at least a week before the game. Please contact Harriette Peebles and she will do everything possible to assist you.

► Food and Beverages

A hot pre-game meal will be served on level 4 of the press box beginning approximately 1½ hours before kickoff. Snacks and beverages are available on level 3 throughout the game as well as after the game while you complete your work in the press box. Approximately two hours after the game additional food and beverages will be available on level 2 of the press box (Bull Gator level), at the post-game media social. MEDIA INFORMATION — Continued

► Press Box and Post-Game Information Services

Play-by-play, complete halftime and final statistics, coaches quote sheet, defensive stats, and post-game notes are all regular services on game day. Upon your arrival, you will receive an extensive press folder with game program, flip-card, updated statistics, biographical sketches, and game-day notes. An internal PA system will provide updated information and notes throughout the game.

► Post-Game Interviews

Florida's SID staff will escort media representatives to appropriate lockerroom areas with 3-5 minutes remaining the game. Florida coach and player interviews will be conducted in the south endzone locker/conference area. Coach Spurrier will conduct a press conference in the media conference room 10 minutes after the contest. His conference can also be heard via an amplified phone hookup in the press box should you be facing tight deadlines. Florida's locker area for player interviews will open 25 minutes after the game. The locker area is open to all reporters. You can arrange post-game player interviews by filling in the appropriate sheet in your press folder and returning it to a member of the Florida SID staff no later than the ten minute mark of the fourth quarter.

Procedures for coach and player interviews for Florida's opponent will be coordinated by the opponent SID staff. Opponent locker areas are located outside the southeast tunnel area of Florida Field.

► Fax Service

Fax service is available in the press box to send information back to your agency at the conclusion of the game. There is a small fee for this service depending on the amount of information you want sent. Hal Deck is the fax service representative that will coordinate this service in the press box on game day. Please contact him on gameday to discuss your specific needs.

► Telephones

We strongly encourage you to make sure that your phone needs are met before gameday. Telephone orders for lines should be placed directly with Southern Bell (Cindy Fisher, 904-350-4656). Remember, you must place separate orders for your phone line and for the appropriate equipment or you must bring the appropriate equipment with you. The SID office will be able to help you with a phone line and/or equipment on the day of the game. You should take care of these matters as soon as possible. A bank of wall phones are available to the media on level three of the press box (print media and statistical operations). The SID office does have a few other phones that it uses for fax services and radio reports. Once again, if you

envision tight deadline problems we strongly encourage you to order your own line as the SID phones, fax phones and the wall phones available to the media are in almost constant use for two hours after the game.

FLORIDA-GEORGIA GAME — Telephones are extremely limited for this game at the Gator Bowl in Jacksonville. There is only one wall phone in the entire press box. Two phones are available for fax and radio reports. You are strongly encouraged to make sure that your individual phone needs are met before you arrive at the game. Please call Southern Bell (Cindy Fisher, 904-350-4656) as soon as possible to order your line. Remember, you must bring your own phone or order a phone. If you don't take care of your phone needs in advance, you will experience problems on gameday in getting your story sent.

SPURRIER ERA BEGINS

Steve Spurrier's highly regarded passing attack will face one of the nation's most demanding schedules in 1990.

Florida enters the decade of the 1990's with a great deal of "newness;" a new head coach in Steve Spurrier, a new pro-style offense in which the passing game will be heavily featured, a new defense which will feature a base 4-4-3 look in comparison to Florida's normal base 3-4-4 look of the past several years and a new natural grass playing surface at Florida Field for the first time since 1970.

Headlining the "newness" surrounding the Florida program as it enters the new decade is Spurrier, the most renowned player in Gator history. A Heisman Trophy winner at Florida in 1966, Spurrier is returning to his alma mater after developing a growing reputation over the last ten years as one of the nation's bright young coaches. Spurrier's reputation in that regard hit an all-time high last year as he led Duke to an 8-3 regular season record and the school's first ACC title and bowl appearance in over 25 years.

Spurrier inherits a Florida program that posted a 6-5 record in 1986, a 6-6 mark in 1987 and back-to-back 7-5 seasons in 1988 and 1989. The 45-year old head coach plans to inject the Florida program with a good deal of enthusiasm and excitement, much of it based on a wide-open passing attack that has drawn rave reviews in recent years while he served as head coach of the

Tampa Bay Bandits of the USFL and then Duke University. Each of his three Duke teams from 1987-89 averaged over 300 yards passing per game and the 1989 Blue Devil contingent averaged 323.0 yards per game (4th best in the nation) and 501.7 yards per game in total offense (4th best in the country). Duke became the first team in ACC history to average over 500 yards a game in total offense.

Spurrier's first Florida squad could be the school's most talented and experienced since 1985 and his 1990 contingent could be the first Gator squad since 1984 that will have 90 scholarship players. Fifteen starters return from the 1989 squad that finished 7-5. Thirty (30) of 44 players from the final two-deep depth chart and 51 of the 66 from the final three-deep depth chart return. Those figures are off-set somewhat, however, due to the fact that a new offense and defense has been installed and several players have been moved around as the coaches seek to put players in the best positions for the new offensive and defensive schemes.

Overall, seven starters return from the 1989 offense. Four line starters, headlined by tackle Glenn Neely and guard Chris Bromley, and all-star candidates Kirk Kirkpatrick at tight-end and Ernie Mills at wide-receiver return in 1990. Four players, including three who have started at least one collegiate game, will continue to stage a spirited battle for the starting signal-caller's spot in Spurrier's pro-style passing attack.

Key offensive losses from 1989 are All-SEC tackle John Durden, two-year starting fullback Cedric Smith, wide-receivers Stacey Simmons and Tony Lomack and standout runningback Emmitt Smith, holder of 58 school records who decided to enter the NFL after his junior year.

Eight starters and 18 of 22 players on the final two-deep depth chart return from a Florida defense that led the SEC and ranked third in the nation in 1989 in total defense, yielding an average of just 241.9 yards per game. Florida, which has been a base 3-4-4 defensive scheme team for several years, will change its base look to a 4-4-3 in 1990.

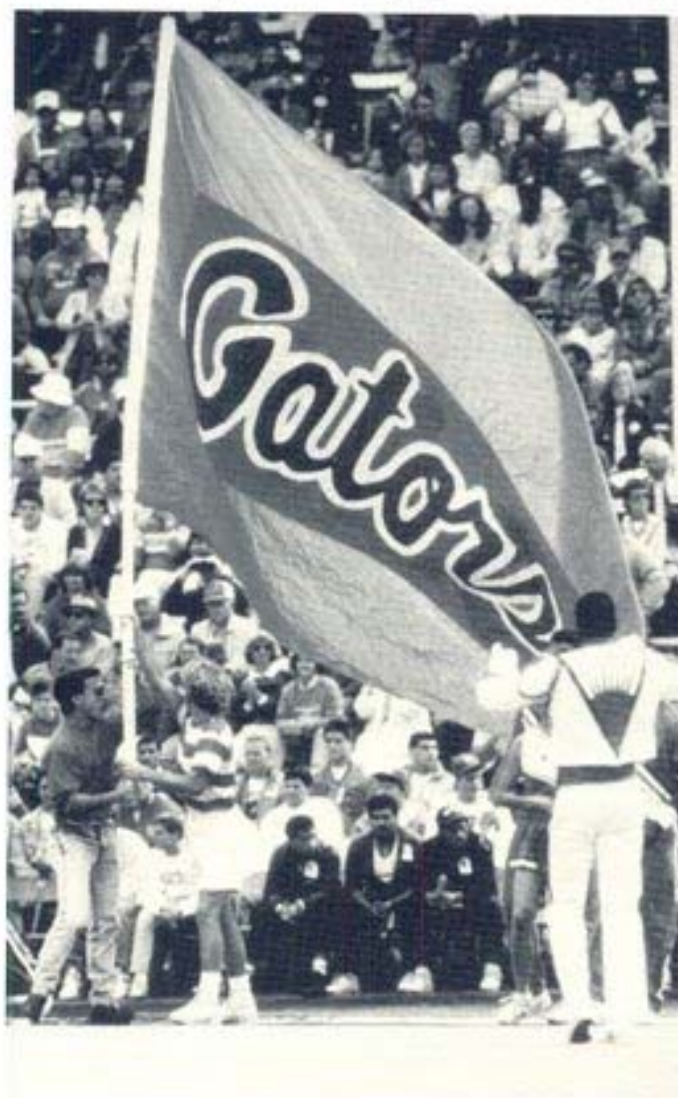

Huey Richardson, a first-team All-SEC choice at OLB/DE in 1989 who set a school single-season record with 12½ quarterback sacks, is a likely Lombardi Trophy candidate in 1990. Cor-

nerback Richard Fain, a second-team All-America selection last year, is a Thorpe Defensive Back of the Year Award candidate for the second consecutive year. Gatorback (strong-safety) Godfrey Myles, a honorable mention All-America choice last year, is also an expected post-season honor candidate.

Headlining the newness surrounding the Florida program as it enters the new decade is Spurrier, the most renowned player in Gator history. A Heisman Trophy winner at Florida in 1966, Spurrier is returning to his alma mater after developing a growing reputation over the last ten years as one of the nation's bright young coaches. The 45-year old head coach plans to inject the Florida program with a good deal of enthusiasm, much of it based on a wide-open passing attack that has drawn rave reviews in recent years.

Spurrier and his staff will be facing a very challenging schedule in 1990, one that will rank among the most demanding in the nation. Florida's eleven 1990 opponents compiled a combined 78-44-1 record in 1989, a .638 winning percentage. Alabama replaces Ole Miss and Tennessee replaces Vanderbilt as rotating SEC games on the Gator slate. Alabama, Tennessee, Auburn and Florida State all finished the 1989 season ranked in the nation's Top Ten. Of the foursome, only the Auburn contest will

Spurrier and his staff will be facing a very challenging schedule in 1990, one that will rank among the most demanding in the nation. Florida's eleven 1990 opponents compiled a combined 78-44-1 record in 1989 (.638%). Alabama replaces Ole Miss and Tennessee replaces Vanderbilt as rotating SEC games on the Gator slate. Alabama, Tennessee, Auburn and Florida State all finished the 1989 season ranked in the nation's Top Ten. Of that foursome, only the Auburn contest will be played in Gainesville. . . The strength of the UF schedule is verified by two facts. Florida and Notre Dame will be the only two schools in the nation to face four teams in 1990 that finished the 1989 season ranked in the final AP Top Ten poll. THE DEFENSE

The University of Florida built a proud tradition of defensive excellence during the decade of the 1980's and there is reason to believe that the 1990 unit will maintain that tradition of excellence. An entirely new defensive coaching staff is in place, but it greets a solid returning unit that will once again boast fine overall speed and quickness.

Eight of 11 starters, 18 of 22 players on the final two-deep depth chart and 29 of 33 players on the final three-deep depth chart return from a unit that ranked among the nation's finest in 1989. The 1989 contingent ranked third in the nation, top's in the SEC, in total defense — yielding an average of just 241.9 yards per game. In addition, Florida led the SEC and ranked fourth in the country in rushing defense, giving up an average of just 88.6 yards per game. Florida's performance vs. the rush in 1989 ranked as the second best in school history. The Gator defense also ranked eighth in the nation in pass defense (153.3 yards per game) and 13th in scoring defense (15.3 ppg).

Florida's defensive performance in 1989 was the latest chapter in a string of success during the decade of the 1980's. In each of the past seven years the Florida defense has never ranked

lower than third in the final league standings in total defense. From 1983-89, Florida was the only team in the SEC that ranked in the top three in total defense in each of those seven seasons. During the decade of the 1980's Florida led the SEC in total defense five times. No other school led the league more than once during the decade in this most important category.

Eight of 11 starters, 18 of 22 players from the final two-deep depth chart and 29 of 33 players from the final three-deep depth chart return from a unit that ranked among the nation's finest defensive squads in 1989.

Florida's string of defensive excellence during the 1980's was headlined by the play of some of the nation's finest players and 1990 should be no different. Senior Huey Richardson, who registered 22½ tackles for lost yardage in 1989, including 12½ sacks, a new school single-season record, is expected to be one of the nation's defensive standouts in 1990. He could become a prominent Lombardi Trophy candidate. In addition, senior cornerback Richard Fain, a second-team All-America selection and first-team All-SEC choice in 1990, ranks with the nation's premier defensive backs. Fain was one of 20 finalists for the Thorpe Defensive Back of the Year Award in 1989 and he is expected to receive strong consideration for that honor once again. Senior Godfrey Myles, a honorable mention All-America choice in 1989, should also merit post-season honor consideration with his play at the Gatorback position, a post that doubles as a strong-safety and outside linebacker.

Following is a closer look at the 1990 Florida defense.

► Defensive Tackle

After playing the past several seasons with three down linemen (a middle-guard and two tackles), Florida will convert to a base four-man front (two tackles and two defensive ends).

Junior tackle Brad Culpepper (6-2, 250) headlines the defensive interior returnees. He started at middle-guard last year and chalked up 60 total tackles, tops among the down linemen, and was a prominent part of a defensive unit that ranked fourth in the nation in rushing defense, yielding an average of just 88.6 yards per game. Culpepper's a two-time SEC Academic Honor Roll selection.

Junior Mike Brandon (6-4, 265), who began his career as a defensive tackle but was switched to tight-end in 1989, was moved back to defensive tackle this spring and enters the fall as the starter at right tackle. Sophomore Philip Johnson (6-4, 267) filled a backup role for most of the 1989 season at middle-guard but was moved to tackle late in the season and started at that position against Florida State and Washington. Sophomore Dexter Smith (6-2, 263) and redshirt freshman William Gaines (6-4, 273) will join Culpepper, Brandon and Johnson as the defensive tackle contingent entering the fall. There are no seniors on the 1990 defensive tackle unit. This group will also gain sophomore Darren Mickell (6-4, 273), a non-qualifier in 1989, when practice resumes in August.

► Defensive End

This is a position on the squad that has the most impressive depth. The Gator coaching staff feels that six players are all capable of competing at the SEC level.

Seniors Huey Richardson and Mark Murray are the top players at the new defensive end positions. Murray was a starter at weakside tackle and Richardson at strong-side outside linebacker in Florida's 3-4 base look defense in 1989. They'll basically be playing much the same role in 1990 but with a new position title. Murray (6-3, 233) started at one tackle post every game last fall. He had 47 total tackles last year and his 10 tackles for lost yardage led all down defensive linemen and ranked second on the squad. Murray's seven QB sacks was also tops among the down linemen and second best on the defensive squad.

Sophomore Mike Kerr (6-5, 222) was moved from outside linebacker this spring and is battling junior Stephon Mack (6-4, 224) for the top backup role to Murray at this right defensive end position.

Senior Huey Richardson (6-5, 236), a two-year starter and two-time honorable mention All-America selection as well as a first-team All-SEC choice in 1989, is expected to rank with the nation's finest pass rushers this fall from the defensive end post. fall, including 12½ sacks. He set a school single-season mark for sacks despite missing the first two games of the season.

Backing up Richardson at the left defensive end post will be either junior Harvey Thomas (6-4, 221) or sophomore Bill Gunter (6-5, 233). Thomas was moved to defensive end from tight-end this spring. He started six games in 1989 at tight-end. Gunter served as Murray's top backup at the weakside defensive tackle post last fall. He was named the squad's most improved defensive lineman this spring.

► Inside Linebacker

Senior Jerry Odom (5-10, 211) and junior Tim Paulk (6-1, 225) are the top returnees at inside linebacker while Pat Moorer, a three year starter who led the nationally ranked Gator defense in tackles in each of the 1988 and 1989 seasons, is a key departure. Odom, who missed the first half of spring practice recovering from a shoulder injury, ranked second on the squad in tackles in 1989 with 81 and started all eleven games. He's a fiery performer who has excellent instincts for the game. Paulk has seen a good deal of playing time the past two seasons, registering 50 tackles as a freshman in 1988 and 32 last season. Odom and Paulk enter fall drills at the top of the depth chart at the two wide linebackers posts.

Senior Brent Ellis (6-1, 225), sophomore Carlton Miles (6-1, 236) and redshirt freshman Ed Robinson (6-0, 221) came out of the spring as the top candidates to push Odom and Paulk for starting roles as well as to provide the top backup help. Miles was moved to inside linebacker this spring after serving as

Huey Richardson's top backup at OLB last fall. Robinson was named the defensive squad's most improved freshman this spring. Junior walk-on Greg Diamond (5-10, 206) and redshirt freshmen Matt Hurbanis (6-0, 202) and Rod Whited (6-1, 224) round out the returning contingent on a unit that is short on depth and experience. Outside of Odom and Paulk, the inside linebacker contingent lacks players with game experience.

► Outside Linebacker

Junior Ephesians Bartley (6-3, 211) headlines the group at the weakside outside linebacker post, a position that demands that the player also has the same capabilities of a strong safety. Bartley began his Gator career as an outside linebacker but was moved to strong-safety last fall where he started the last seven games after starting the first two games of the 1989 campaign at outside linebacker. He registered 70 total tackles last fall, the fourth top total on the nationally ranked Gator defense. This spring he was moved back to outside linebacker, a post where the player primarily serves as a outside linebacker on the weakside in Florida's new 4-4-3 alignment. He made an excellent adjustment to his new position and was named the squad's defensive player of the spring.

Bartley will be backed-up at this position by sophomores Marquette Oliver (5-9, 204), Myrick Anderson (5-10, 206) and Greg Grandison (6-2, 213). Oliver started two games at strong-safety last fall while Grandison started the first four games of the 1989 season at free-safety. Oliver was selected as the squad's most improved linebacker this spring.

► Gatorback (Strong-Safety)

The Gatorback is the most noticeable change in Florida's defensive alignment. The player at this position will function as a strong-safety as well as a outside linebacker primarily on the strong-side. The position demands a player who is multi-talented.

▼

The Gatorback position is the most noticeable change in Florida's defensive alignment. The player at this position will function as a strong-safety as well as an outside linebacker, primarily on the strong side.

▲

Stepping front and center into that post is senior Godfrey Myles (6-2, 239) who started at weak-side outside linebacker in Florida's 3-4 alignment in 1989. Myles, who earned honorable mention All-America recognition in 1989, combines size, strength and speed. The Florida coaching staff looks for him to have a fine year at this newly established position which will function much like the "monster back" did in many collegiate defenses in the 1970's.

Backup help to Myles at this post will come from senior James Speer (6-1, 223) and redshirt freshman Cornell Tinner (5-11, 207). Speer, a former walk-on, also played at outside linebacker in 1989.

Senior Jerry Odom is the squad's most experienced inside linebacker. He started all 12 games in 1989.

► Defense — Gator Style

During the decade of the 1980's the Florida defense consistently ranked among the SEC's and the nation's finest. Successful defense was a constant at Florida throughout the decade as verified by the following:

- Florida led the SEC in total defense in five of the ten years during the decade. No other team led the league more than once. The Gators finished in the top three in league total defense in eight of the ten years.
- The Gators finished in the top three in league pass defense seven times during the 1980's and in the top three in rushing and scoring defense six times in the '80's.
- Florida ranked third in the nation in total defense in both 1988 and 1989.
- During the combined five-year period of 1983-87, UF's defense ranked seventh in the nation in scoring defense, fourth in passing defense and fifth in total defense.
- In 1989 Florida was the only SEC defensive squad to rank in the top three in total defense (1), pass defense (3), rushing defense (1) and scoring defense (2).

Godfrey Myles (above), an honorable mention All-America selection last fall, steps into the new Gatorback post.

► Defensive Secondary

The free-safety position appears solid but there are some concerns about the cornerback positions.

Sophomore Will White (6-1, 202) started the final seven games of the 1989 season at free-safety and registered 63 total tackles. He was named to the SEC All-Freshman Team. Sophomore Monty Grow (6-3, 201) and junior Andy Newman (6-1, 186) will continue to battle for the top backup spot. Grow was one of just four true freshmen to letter last fall. Newman entered the 1989 season as the starter at strong-safety, but he suffered a broken foot in the first quarter of the season opener vs. Ole Miss and was sidelined for the rest of the year.

The free-safety position appears solid but there are some concerns about the cornerback positions... Florida enters the fall with just four returning scholarship players at the two cornerback positions.

Senior Richard Fain headlines the cornerback contingent. Fain, a 5-11, 186 pounder is once again expected to rank among the nation's premier cornerbacks. As a junior in 1989 Fain received second-team All-America honors and was one of 20 final nominees for the Thorpe Defensive Back of the Year Award. He ranks with Jarvis Williams and Louis Oliver as outstanding players in the Gator secondary over the course of the last several years. Fain missed spring drills recovering from shoulder surgery but he is expected to be ready for fall drills in August.

Florida doesn't lose many starters from its nationally ranked 1989 defensive unit but the Gators do lose a key player at cornerback in two-year starter Kerry Watkins. Watkins was a steady contributor at the weak-side corner slot in each of the past two seasons and he will indeed be missed.

Seniors Jimmy Spencer (5-10, 178) and Kurt Young (5-9, 175), a walk-on, and sophomores Del Speer (6-0, 193), Sam Scavella (5-8, 176), a walk-on, and Brian Montgomery (5-8, 172) will continue to battle for Watkins' starting spot as well as backup roles at both corner positions. Each has showed some potential, but consistency has been a problem. Spencer enters the fall drills as the projected starter at right corner. Montgomery and Young will continue to battle him. Speer and Scavella are battling for the top backup role to Fain at the left corner post.

The cornerback positions are a concern and it is possible that a newcomer might surface this fall and provide some needed depth. Florida enters the fall with just four returning scholarship players at the two cornerback positions.

Junior Ephesian Bartley, an outside linebacker, was named the squad's Defensive Player of the Spring.

Senior Richard Fain, a second-team All-America selection last fall, is once again expected to receive prime consideration for the Thorpe Defensive Back of the Year Award.

THE OFFENSE

Florida returns seven starters and 22 of 33 players from the final three-deep. Many of the faces in 1990 will be similar, but the method the Gator offense will use to move the football as it enters the decade of the 1990's will change significantly with Spurrier's arrival.

Florida has been primarily a running based offense in recent years. In 1989 the Gators averaged 392.8 yards per game in total offense, 244.8 of which came via the rushing attack. Florida ranked twelfth in the nation in rushing in 1989. Florida ran the ball 71% of the time in 1989 and threw 29% of the time.

Spurrier's arrival is expected to significantly change the run-pass ratio. At Duke last year, the Blue Devil offense showed almost perfect balance as it threw 439 times and rushed 427 times. Spurrier's pro-style passing attack in 1989 registered an average of 501.7 yards per game in total offense with an average of 323 yards per game in passing, a figure that ranked as the fourth best in the nation. In the history of ACC football there have been only four seasons that a conference team averaged

more than 300 yards passing per game. Duke is the ACC school that has accomplished that rare achievement each time and Steve Spurrier was the offensive mastermind each of those four seasons. Spurrier has every intention of duplicating that type of offensive fireworks and passing success at Florida.

Florida ran the ball 71% of the time in 1989 and threw 29% of the time. Spurrier's arrival is expected to significantly change the run-pass ratio. At Duke last year, the Blue Devils' offense showed almost perfect balance as it threw 439 times and rushed 427 times.

The battle for the triggerman spot in the new Florida offense would have generated a good deal of attention in a normal year, but that was even more true this spring due to the fact that Spurrier found a quarterback contingent that included three players who had started in a college game at this most important posi-

tion plus sophomore Shane Matthews. Junior Kyle Morris, and redshirt sophomores Lex Smith and Brian Fox, a transfer from Purdue, all had started in a collegiate game. Matthews had an excellent spring and was the standout in the spring game. When the dust settled after a spirited spring battle, Morris and Matthews were listed even on the first unit.

Florida returns four starters on the offensive line, headlined by tackle Glenn Neely and guard Chris Bromley, as well as Ernie Mills at wide-receiver, and Kirk Kirkpatrick at tight-end. This unit received a blow when Emmitt Smith, the "SEC Player of the Year" in 1989 and a consensus first-team All-America choice, decided to by-pass his senior season after rushing for 1,599 yards in 1989.

In short, the 1990 Gator offense is expected to be made-up of much of the same cast of characters as 1989, but how this unit goes about moving the football will be significantly different. Last year's unit moved the ball predominantly on the ground, while 1990 will see the emphasis switch to the air attack.

Following is a closer look at the offense position-by-position.

► Offensive Line

Four starters and six of the top ten players from a 1989 contingent that performed quite capably return. The 1989 unit, headlined by departed offensive tackle John Durden who was a first-team All-SEC selection, forged a rushing attack that averaged 244.8 yards per game, a figure that ranked second in the SEC and 12th best nationally. In addition, this unit permitted just 16 QB sacks over the course of the season. Depth is a major concern across the entire line as the five projected backups on the offensive line have seen just five combined total plays of collegiate action entering the 1990 season.

Senior Glenn Neely (6-4, 282), who was converted to offensive tackle last fall after spending the two previous years at defensive tackle, returns as the starter at one tackle position. He started all 11 games in 1989. He could very well merit post-season honors next season. Junior Mark White (6-5, 279), a starter in ten games at guard in 1989, was moved to tackle this spring.

He was a third-team Football News Sophomore All-America selection last fall. White served as a backup at offensive tackle in 1988 as a freshman.

Depth is a concern at the tackle position. Outside of Neely and White, none of the other three returning tackle candidates has seen any collegiate game action. Sophomore John Williams (6-3, 282) and redshirt freshmen Brian Fisher (6-5, 252) and Ryan Taylor (6-4, 277) need to mature quickly. Depth at this position was further hurt this spring when Josh Taotoai (6-6,

285), Durden's backup in 1989, decided to withdraw from school at the start of the spring semester. The coaching staff does not want to play any incoming freshmen offensive linemen, but might be forced to if the returnees don't provide adequate backup help.

The offensive guard positions appear solid, but again depth is a concern although not as severe as at tackle. Senior Chris Bromley (6-5, 262) is the squad's most experienced offensive lineman. He served as the top backup at center for nearly two seasons before being moved to guard where he has started the last 16 games. He still served as the top backup at center last season as well. Bromley will merit post-season honor consideration in 1990.

Junior Hesham Ismail (6-2, 273), the top offensive guard reserve last fall, returns in 1990 and enters the fall as the projected starter at left guard. Sophomore Tony Daniels (6-2, 268), redshirt freshman Jim Watson (6-2, 272) and junior Tony

OT Glenn Neely

OG Mark White

OG Chris Bromley

Center Cal Dixon

Rowell (6-3, 256), moved from defensive tackle this spring, provide backup to Bromley and Ismail. Watson was named the squad's most improved offensive lineman this spring.

Junior Cal Dixon (6-4, 274) returns at center after starting all 11 games as a sophomore in 1989. He showed rapid development, and by the end of the year the Florida coaching staff felt he was playing as well as any center in the SEC. Dixon was a first-team Football News Sophomore All-America selection last season. The coaching staff is hopeful that a capable backup will surface so that Chris Bromley, the projected starter at right guard, won't have to fill the top backup spot at center once again. Red-shirt freshman Gantt Crouch (6-2, 243), moved from guard this spring, will have the best opportunity to fill that top backup role.

► Receivers

This is a position that is expected to have a good deal of competition entering the fall. Stacey Simmons (10 catches for 166 yards) and Tony Lomack (9 receptions for 183 yards) have graduated. That duo joined Ernie Mills and Terence Barber as the squad's main four-man rotation at wide-receiver in 1989.

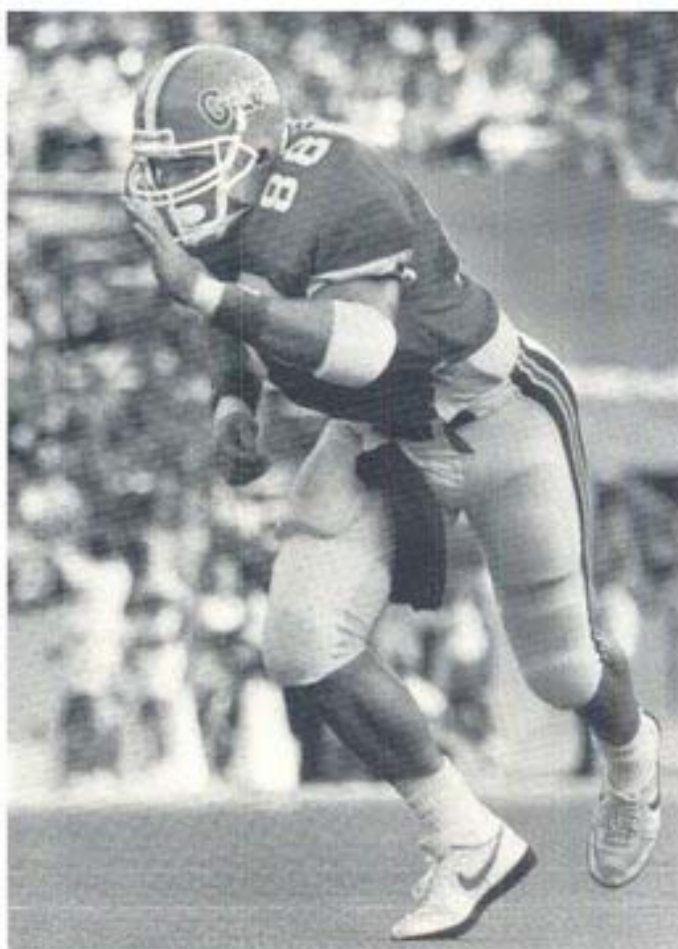

Mills (5-11, 180), a senior who came to Florida as a defensive back, led the wide-outs in receptions in 1989 with 19 for 404 yards, a fine 21.3 yards per catch. His three TD receptions also topped the squad. Mills has great speed and the coaching staff expects him to have a big year in 1990 with Spurrier's pro-style passing attack. Senior Terence Barber (5-9, 184) had 14 catches in 1989 for 268 yards (19.1 avg.). He runs excellent routes and boasts the unit's best hands. He, too, should enjoy Florida's new offensive attack as should sophomore Tre Everett (5-10, 165), who enters the fall listed even with Barber in the battle for the other starting wide-receiver post. Everett was named the squad's most improved wide receiver this spring.

***Ernie Mills has great speed at wide receiver. . .
Coach Spurrier says of Kirk Kirkpatrick
that, "He's as good a receiving tight-end
as I've ever coached."***

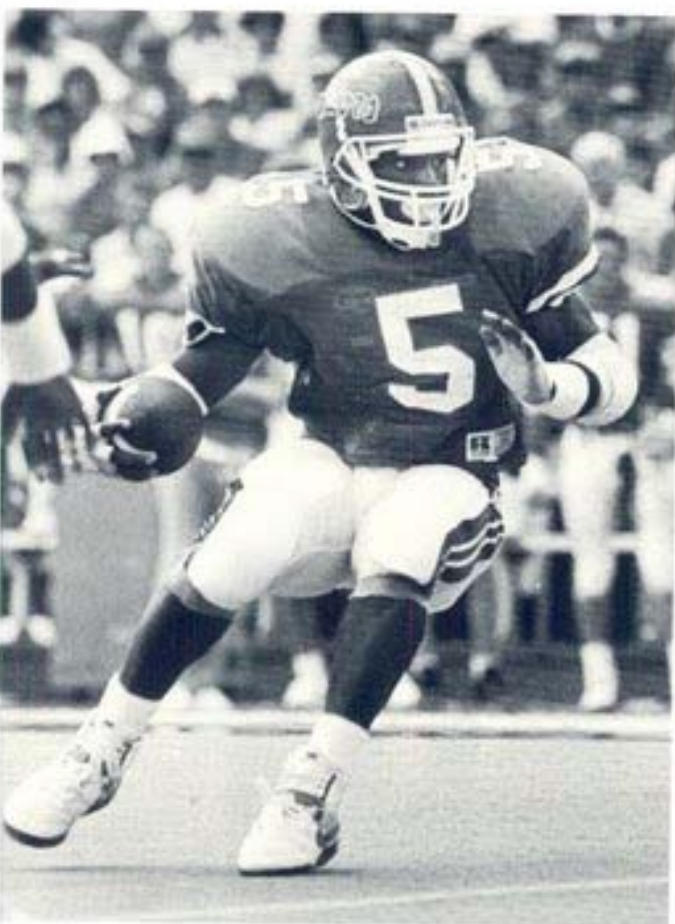

The battle for prominent playing time along with Mills, Barber, and Everett in the wide-receiver rotation should continue to be quite competitive. Junior Alonzo Sullivan (6-2, 192) and red-shirt freshmen Henry Haston (6-2, 201) and Monty Duncan (5-11, 211) will battle for those important roles.

Watching the evolution of the tight-end position in Spurrier's offensive plan should be interesting. Senior Kirk Kirkpatrick (6-2, 227) is the squad's most experienced tight-end entering the season. Kirkpatrick ranked third on the squad in receptions in 1989 with 18 despite missing three games with a knee injury. He could really blossom into a quality tight-end and as an all-star candidate in Florida's new passing game, which will make the tight-end a significant part of the offensive attack. He had an impressive spring and Spurrier says, "He's as good a receiving tight-end as I've ever coached."

Junior Harvey Thomas (6-4, 221) who started five games at

WR Ernie Mills (top) and TE Kirk Kirkpatrick (bottom) are expected to have standout seasons in the new pro-style passing attack.

Juniors Dexter McNabb (top) and Willie McClendon (bottom) are the squad's most experienced players at the fullback and runningback positions respectively.

tight-end while Kirkpatrick was recovering from a knee injury, was moved to defensive end this spring. Thomas was converted into a tight-end from an outside linebacker in the fall of 1988 in order to bolster a position that had limited depth. He was considered the top blocker among the TE contingent in 1989. Sophomore Greg Keller (6-4, 211), who saw some action as a true freshman, and redshirt freshman Charlie Dean (6-2, 223) are battling for the top backup role to Kirkpatrick at tight-end. Keller was named the offensive squad's most improved freshman this spring.

► Runningbacks

For three years Emmitt Smith carried the Gator running game. Smith, who holds 58 University of Florida school records, finished ninth in the Hesiman Trophy balloting in 1987 as a freshman and seventh last year. After rushing for 1,599 yards in 1989 - an average of 145.4 yards per game (third best in the nation), he decided to by-pass his senior season for the NFL Draft. He completed his stellar career rushing for 3,928 yards, an average of 126.7 rushing yards each regular season game he played - the second best in SEC history in that category behind Herschel Walker.

Junior Willie McClendon (6-0, 221) and redshirt freshman Errict Rhett (6-0, 211) will continue to wage a battle to replace Smith in the starting rotation. They were the only two scholarship tailbacks on the 1990 spring roster. McClendon finished second on the 1989 squad in rushing with 510 yards. Senior Chuck Wabbersen (6-0, 195), a walk-on who earned a scholarship at the conclusion of spring, provides dependable depth. This is a position where an incoming freshman might have to contribute this fall.

McClendon and Rhett will greatly miss two-year starter Cedric Smith at fullback. Smith, one of the squad's top leaders, was an excellent lead blocker for the past two years. Darryl Perry, Cedric Smith's top backup and also a solid blocker, has also graduated.

Junior Dexter McNabb (6-0, 235), who has been a backup at both fullback and tailback the past two seasons, came out of spring drills as the top player at fullback. Sophomore Terrell Jackson (6-1, 209), a transfer from Miami, and redshirt freshman Kelvin Randolph (5-10, 219) will continue to battle for the top backup role at fullback. Like runningbacks, the fullback post is a position where an incoming freshman might have to provide help.

The fullback position, much like tight-end, is a position that is expected to become a more prominent part of the Gator offense. The three top fullbacks rushed just 66 combined times in 1989 with starter Cedric Smith carrying the ball just 41 times in 11 games. Combined, the three top fullbacks had just three receptions in 1989. Spurrier will seek more production out of the fullback slot.

► Quarterback

This is a position that always draws a good deal of attention, but that attention was at an extremely high level this spring. The arrival of Steve Spurrier with his pro-style passing attack combined with the fact that Florida opened practice with four quarterbacks on its roster who had started a collegiate game made for quite an interesting situation this spring.

Junior Kyle Morris (6-3, 211) has started 15 collegiate games (seven as a freshman in 1988 and six in 1989). Morris was off to an excellent start in 1989, throwing for 1,098 yards and nine TDs in the first six weeks of the season. At that point, he was suspended for the rest of the season after admitting to violating a NCAA rule.

In Morris' absence, first redshirt freshman Lex Smith (6-2, 202) and then true freshman Donald Douglas stepped into the void. Smith started the New Mexico contest and completed 15 of 28 passes over the course of the rest of the season for 200 yards and no TDs. Douglas started the last four regular season

games and completed 27 of 59 passes for 330 yards and one TD and was the squad's third leading rusher with 226 yards. Douglas has since transferred to Houston to be closer to home and his ill mother.

Morris and Smith were joined this spring by redshirt sophomore Brian Fox (6-4, 214), a transfer from Purdue who started seven games for the Boilmakers as a true freshman in

Shane Matthews had an impressive spring, capped by an outstanding spring game performance, and pulled even with Morris on the first unit at the conclusion of spring drills.

1988, and sophomore Shane Matthews (6-2, 179) who continued to catch the eye of the coaching staff. Fox, who was named Freshman Quarterback of the Year by The Sporting News and UPI Big Ten Freshman Player of the Year in 1987, threw for over 1,200 yards with seven TDs in 1988. Fox missed the last week of spring drills with a fracture in his foot. Matthews had a impressive spring, capped by an outstanding spring game performance, and pulled even with Morris on the first unit at the conclusion of drills. Fox and Smith enter the fall listed even on the second unit but still very much have the chance to gain the starting nod.

SPECIAL TEAMS

Florida enters the 1990 campaign with the place-kicking chores in fairly solid shape but a punting game that is still very unsettled.

Junior Arden Czyzewski (6-0, 212) took over the place-kicking chores last fall after the first few weeks of the season and defeated LSU, 16-13, on a 41-yard field goal on the last play of the game. He was seven of seven on field goal attempts and 9 of 9 on PATs before suffering a season-ending knee injury with four games remaining in the season.

Florida's punting game still remains a big question mark. The Gators averaged just 35.5 yards per punt in 1989, the lowest average in the SEC.

Florida's punting game still remains a big question mark. The Gators averaged just 35.5 yards per punt in 1989, the lowest average in the SEC. Redshirt freshman Jason Hailey (5-10, 163), sidelined the entire 1989 season after undergoing reconstructive knee surgery, still appeared quite rusty this spring. His inconsistent performance enabled freshman walk-on Judd Davis (6-0, 168) to emerge as the top candidate heading into fall. Freshman signee Kendall Cook, a all-state punter and place-kicker, will be given every opportunity to improve an aspect of the Florida game that has not been par for the last few seasons.

Junior Kyle Morris, who has started 15 collegiate games, is the squad's most experienced QB.

COACH SPURRIER'S COMMENTS ON 1990

► Spring Practice

"The enthusiastic competition and concentration enabled us to have a fine spring. There were many changes and a whole lot of teaching and learning had to take place. We got better in every area but we obviously still have a long way to go. How hard our players work at getting better over the summer will determine a great deal about where we start in the fall drills."

► Offensive Team

WIDE RECEIVERS

"This is a good group of players who all work hard. Ernie Mills is a fine player. He's smooth, catches the ball and has great speed. Tre Everett and Terence Barber are right there for the other starting job, and they have both improved. Alonzo Sullivan, Henry Haston and Monty Duncan all did good things this spring and will play and push the others."

TIGHT ENDS

"Kirk Kirkpatrick is as good a pass receiving tight end as I've ever coached. He's improved his blocking, also. Greg Keller came a long way in the spring and Charlie Dean had good moments. This can be a solid position for us."

▼

"We made progress in the spring and we are about where I thought we'd be in terms of learning and understanding the offense. We will open the offense up this fall but still strive for balance. We need for the running game to be productive to supplement what we'll be doing throwing the ball. I wish we were totally settled at quarterback but that isn't the case at this point."

▲

OFFENSIVE LINE

"The first unit (tackles Glenn Neely and Mark White, guards Hesham Ismail and Chris Bromley and center Cal Dixon), has a chance to become an outstanding offensive line. These players have size, experience and ability and we are confident they will continue to develop. Bromley and Neely are all-star candidates. Our concern is over the complete lack of experienced depth. Tony Daniels is the most experienced guy there and he has only played a total of five downs in his career. Redshirt freshman guard Jim Watson came a long way in the spring."

QUARTERBACKS

"The job is not resolved. Spring practice is just one phase in getting ready for the season. The summer is the time when teams and players improve a lot, or stay the same, or get worse. Now

the quarterback competition develops into the work during the summer and the scrimmages early next fall. Kyle Morris and Shane Matthews will be listed No. 1 but Brian Fox and Lex Smith will also be in the competition. Kyle was the leader based on his overall performance going into the spring game. Shane played very well the last week of spring practice, had a good scrimmage going into the spring game and had to be the player of the game in the Orange-Blue game. Brian missed the final week of practice with an injury but he and Lex both did good things during the spring."

RUNNING BACKS

"Our rotation going into the fall is Willie McClendon, Errict Rhett and Chuck Wabbersen at tailback and Dexter McNabb and either Kelvin Randolph or Terrell Jackson at fullback. We're encouraged this will be a good set of backs with enough versatility to handle everything they must handle in this offense. McNabb did some good things in the spring and is taking pride in his blocking. McClendon and Rhett can both catch the ball and run with it. Wabbersen sees the field and could be an effective back in our offensive style with the draws and traps. We'll play some one-back sets or put McClendon or Rhett in the slot to mix it up."

► Offensive Summation

"We made progress in the spring and we are about where I thought we'd be in terms of learning and understanding the offense. We will open the offense up this fall but still strive for balance. We need for the running game to be productive to supplement what we'll be doing throwing the ball. I wish we were totally settled at quarterback but that isn't the case at this point."

► Defensive Team

DEFENSIVE ENDS

"The defensive ends are really outstanding. Huey Richardson, Mark Murray, Bill Gunter, Mike Kerr, Harvey Thomas and Stephon Mack are all pretty good players. Richardson, of course, could be a dominating big play man for us. Any of these six players is a legitimate SEC calibre performer."

DEFENSIVE TACKLES

"Mike Brandon came over from offense and gave us a big lift at defensive tackle. He had a fine spring and is a starter along with Brad Culpepper, a solid, consistent veteran. We believe these two with help from Phillip Johnson, William Gaines and Dexter Smith will get the job done for us."

GATORBACK

"This is a combination strong safety-outside linebacker and it takes a versatile athlete to play here. Godfrey Myles has a chance to be very good, and he has become a team leader. Backing him

up going into fall drills are James Speer and Cornell Tinner. This position is solid."

OUTSIDE LINEBACKER

"Ephesians Bartley was the defensive player of the spring and is a fine talent. Marquette Oliver and Myrick Anderson are young players who just need to play and gain experience. All of them can run and get to the football. This is the weakside outside linebacker position."

INSIDE LINEBACKER

"We've got a good combination of experience and talented

younger players working to gain experience. Jerry Odom is a dedicated, competitive senior who has played a lot of good football at Florida and he is backed by Carlton Miles, who is less experienced but a solid talent. At the other inside position the starter is Tim Paulk, a very good athlete who can really run, followed by a redshirt freshman Ed Robinson and senior Brent Ellis, a tough, steady player."

SECONDARY

"Cornerback development is a priority. Richard Fain missed the spring but he is an all-conference player who should come back and solidify one position there. The competition between Jimmy Spencer, Brian Montgomery, Del Speer, Sam Scavella and Kurt Young will determine who else will fill spots at cornerback. At free safety Will White had a good spring and an exceptional spring game. Monty Grow and Andy Newman are about even right behind him and, overall, we feel good about this position."

▼

"Team speed is the best asset we have on defense. We don't have great size, so teams that run straight at you might give us some trouble. However, we have people who can find the ball and get to it, and they have great defensive pride."

▲

► Defensive Summation

"Team speed is the best asset we have on defense. We don't have great size, so teams that run straight at you might give us trouble. However, we have people who can find the ball and get to it, and they have great defensive pride."

► Kicking Game

"Arden Czyzewski has never missed an extra point or field goal attempt in college and that's a pretty good starting point. We're concerned about our punting game and if we played today the man would be freshman walk-on Judd Davis. An incoming freshman, Kendall Cook, will get a good look early in the fall."

► SEC Race

"Other than playing against Tennessee in Knoxville every year I was at Duke, and watching a few games on TV I don't know much detail about the conference teams now. I do know it is the best football league in the country from top to bottom and you had better be ready to play every Saturday. Playing against this level of competition is what it's all about and I'm really looking forward to it."

► Key Departures

RB Emmitt Smith, holder of 58 school records, was a first-round selection of the Dallas Cowboys. Smith, who finished in the top ten of the Heisman Trophy balloting in both 1987 and 1989, completed his career with 3,928 rushing yards, the top total in school history. Smith by-passed his senior year to enter the NFL.

Fullback Cedric Smith, a two-year starter, was a fifth round selection in the most recent NFL Draft by Minnesota. Smith was a top-notch blocker and one of the squad's top leaders.

Wide Receiver Stacey Simmons was a fourth round selection of the Indianapolis Colts in this past spring's NFL Draft. Simmons averaged 17.6 yards per catch throughout his Gator career.

John Durden, a first-team All-SEC choice in 1989, started every game at offensive tackle for the past two years.

STEVE SPURRIER

HEAD FOOTBALL COACH

Steve Spurrier was named head football coach at the University of Florida on December 31, 1989, returning to his alma mater with impeccable coaching credentials at the professional and collegiate level.

Spurrier's coaching accomplishments provide solid indication that he is among the leading coaches in football going into the decade of the 1990's.

His return brings back fond memories for Gators everywhere. Spurrier won the 1966 Heisman Trophy and is still regarded as the most famous athlete in Florida history.

During the past three seasons as head football coach at Duke University his teams reached heights no Blue Devil squad had seen in nearly three decades. Their record-setting offense shredded Atlantic Coast Conference standards and resulted in 1989 in a bowl appearance for the first time since 1960, and a conference title for the first time since 1962.

Duke's 501.7 yards per game not only broke ACC marks, it ranked the Blue Devils fourth in the nation in total offense. Duke averaged 33 points per game last season.

In both 1988 and 1989 Spurrier was named ACC Coach of the Year as his exciting, offense-oriented teams carried the Blue Devils to lofty accomplishments. All three of his Duke teams led the league in passing and total offense.

Spurrier offenses produced the same results at the professional level in the USFL from 1983-85 with the Tampa Bay Bandits, where he compiled a 35-19 record and two consecutive playoff appearances. The 1984 team was the first in pro history to produce a 4,000 yard passer and two 1,000 yard rushers in the same season.

In 1985 quarterback John Reaves, now the Gator tight ends-assistant QB coach, again passed for over 4,000 yards, one of only four quarterbacks in pro history to accomplish this feat in back-to-back seasons.

Spurrier's coaching career started in 1978 when Florida head coach Doug Dickey hired him as quarterback coach, although he had no previous coaching experience.

Spurrier installed a wide-open passing game and the under-

manned Gators produced an exciting season. He then served as offensive coordinator and quarterback coach under Pepper Rodgers at Georgia Tech in 1979 before heading to Duke in the same capacity.

Spurrier returns to his alma mater with impeccable coaching credentials at the professional and collegiate level. His coaching accomplishments provide solid indications that he is among the leading coaches in football going into the decade of the 1990's.

As an assistant coach at Duke from 1980-82 Spurrier's reputation as an exceptional offensive coach originated. The first quarterback whose career he helped develop was Ben Bennett, who finished his career as the NCAA's all-time leading passer with 9,614 yards while the Blue Devils set an ACC record with over 300 yards passing per game and 4,990 yards in total offense.

When Spurrier returned to Duke as head coach following his three-year stint in the USFL his teams picked up where they left off during his years as an assistant there. Quarterback Steve

Slayden, in his only season in the Spurrier system, led the ACC in passing and total offense in 1987.

Anthony Dilweg set league records for total offense (3,713), passing (3,824) and passing TDs (26) as he was named ACC Player of the Year in 1988. Quarterbacks Billy Ray and David Brown both in their first year of varsity competition — combined to throw for 3,553 yards and 29 TDs in 1989.

Spurrier's 1984 Tampa Bay Bandit squad became the first team in pro history to produce a 4,000 yard passer and two 1,000 yard rushers in the same season.

During this period receiver Clarkston Hines led the league in receiving yards (1,093) and TD catches (11) in 1987, starting a career which would end with Hines being named ACC Player of the Year in 1989, becoming Duke's first consensus All-American since 1971 and setting an NCAA mark with 38 career TD receptions. He was only the second receiver in collegiate history to register three 1,000 yard seasons.

For those who regard the Spurrier offense as pass crazy, the 1989 Blue Devils threw the football only 10 more times than they ran it. Running back Randy Cuthbert became the second back in school history to rush for over 1,000 yards in a season and had

five straight 100 yard games, one a school record 234 yards against Georgia Tech.

Spurrier's offensive philosophy started to develop as far back as high school in Johnson City, Tennessee, where Kermit Tipton, his head coach at Science Hill, H.S., featured a passing game to use his quarterback's talent. He was coached by innovative Pepper Rodgers during his first two years at Florida, and played for the San Francisco 49ers alongside one of the QB greats of that time, John Brodie.

Spurrier was born on April 20, 1945 in Miami Beach, Florida, son of Presbyterian minister J. Graham Spurrier and his wife Marjorie. The family soon moved with Rev. Spurrier's ministerial callings in Athens, Tenn., then to Newport and finally to Johnson City when Steve was 12 years old.

In high school he was all-state in football, basketball and baseball and prep All-American in football in 1962. His baseball team won two straight state titles and in three seasons of pitching he never lost a game.

After a difficult recruiting battle, head coach Ray Graves signed Spurrier to a Gator football scholarship, beating out Bear Bryant of Alabama and Johnny Vaught of Ole Miss. Why Florida?

"I chose Florida because of the passing, the weather, Coach Graves and the school," he says. "I fell in love with the state and decided that's where I would like to spend a lifetime, and you should go to school where you want to spend your lifetime."

The rest was history. He completed the first pass of his career,

Spurrier's wide-open offensive attack averaged a ACC record 501.7 yards a game in total offense at Duke last fall. The balanced Blue Devil offense threw the ball 439 times for an average of 323.0 yards per game while still averaging 178.7 rushing yards per game on 427 carries during the season.

The Spurrier Family (L-R): Steve, Jerri, Scottie, Amy, Lisa and Steve Jr.

a 56-yarder to Jack Harper against SMU in 1964, and guided the Gators to two major bowls in three seasons, eight come-from-behind wins in the final quarter and a glorious period still remembered with fondness by Florida people.

The games still best recalled came against Georgia and FSU in 1965 and Auburn in 1966 — the game which put him over the top in the Heisman Trophy race against Purdue's Bob Griese.

Florida trailed the Bulldogs, 10-7, with 4:06 remaining in the final period and had the ball at their own 22. It took Spurrier two plays to pull it out, the first a 51-yard completion to Charlie Casey to the Georgia 19, followed by a 19 yard TD toss to Jack Harper for the winning score in a 14-10 game.

The Gators had already been selected to play in the Sugar Bowl in 1965 when they faced FSU and found themselves trailing 17-16 with 2:02 remaining and at their 29-yard-line.

"I will never forget that moment," say Graves. "We were trying to decide what might have a chance to work and Steve came over to me on the sideline and said, 'Coach, don't worry, we are going to score and win.'"

In six plays Spurrier drove Florida to a TD to take a 23-17 lead. A desperation Seminole pass resulted in a TD interception return to make the final margin 30-17.

The Gators went on to the Sugar Bowl where Spurrier set six passing and total offense records and became the only player from the losing team ever to be voted the game's MVP!

The Auburn game in 1966 was the ultimate in Spurrier's knack of being in the right place at the right time under pressure. Heisman Trophy ballots had gone out the previous week and were due back in the week following. A record Florida Field press corps was in attendance.

Despite one of the greatest performances of his career, 26 of 35 passing for 349 yards and three TDs, seven punts for an average

of 46.9 yards per kick, the Gators still remained tied with Auburn at 27-27 with just over two minutes remaining and fourth and long. Wayne Barfield was Florida's regular placekicker, but his range was short.

Spurrier took the responsibility for hitting the longer 40 yard effort, although he had not kicked a field goal since the opener that season against Northwestern. He kicked it through for a dramatic 30-27 victory.

Spurrier's return to Florida brings back fond memories for Gators everywhere. He won the 1966 Heisman Trophy at Florida and is still regarded as the most famous athlete in school history. He guided the Gators to two major bowls in three seasons, eight come-from-behind wins in the final quarter and a glorious period still remembered with fondness by Florida people.

Joe Durso of the New York Times called Spurrier a "Real-life Frank Merriwell." Bill Clark of the Atlanta Constitution wrote, "Spurrier, with his hands tied behind his back and facing a firing squad would be favored to escape."

Spurrier is a great competitor who states often, and firmly believes that he hates more to lose than he really enjoys winning. He brings to Florida the attitude of a winner.

Steve and Jerri Spurrier met while UF students and were married just before his senior season at Florida. They have four children — daughters Amy and Lisa, who are students at Florida, and sons Steve Jr., a freshman at Duke, and Scottie.

Head Coach

TAMPA BAY BANDITS OF USFL (1983-85)

- Compiled a 35-19 overall record and two straight playoff appearances.
- His 1984 squad became the first pro team in history to produce a 4,000 yard passer (current Florida assistant John Reaves) and two 1,000 rushers in the same season.
- John Reaves passed for over 4,000 yards in back-to-back seasons (1984-85), one of only four QBs in pro history to accomplish that feat.

DUKE UNIVERSITY (1987-89)

- Compiled an overall record of 20-13-1
- Duke led the ACC in total offense and passing offense in each of his three years at the helm.
- In each of his three years at Duke the Blue Devils averaged over 300 yards a game passing. Duke was the only team in Atlantic Coast Conference history to average over 300 yards a game passing and the Blue Devils accomplished that rare feat four times (1982, 1987, 1988, 1989). Spurrier was in charge of the Duke offense in each of those four years.

led the conference in receiving yards (1,093) and TD catches (11).

- **1988 Highlights:** Spurrier is named ACC Coach of the Year. Squad's 7 wins is most for Duke since 1962. Squad sets ACC single season records for total offense (5,111 yards) and passing offense (3,868 yards). Duke averaged 351.6 yards passing per game, best in ACC history and a figure that ranked third best in the nation in 1988. QB Anthony Dilweg, in his first year as a starter, set ACC records for total offense (3,713 yards) passing (3,824 yards), passing TDs (26). He was named ACC Player of the Year. Duke finishes fourth in the nation in both passing and total offense. WR Clarkston Hines was named ACC Player of the Year and became Duke's first consensus All-America selection since 1971. Hines completed his career as the ACC leader in virtually every pass receiving category and his 38 career TD receptions set a new NCAA record. Hines became just the second receiver in collegiate history to register three 1,000 yard seasons. RB Randy Cuthbert became just the second back in Duke history to rush for over 1,000 yards in a season. He rushed for a school record 234 yards vs. Georgia Tech. Duke scored 356 points on the season, just 10 points shy of the ACC all-time record for most points in a year.

Spurrier's wide-open offense in Tampa Bay became affectionately known as "Banditball." In 1984 the Bandit offense became the first in pro football history to produce a 4,000 yard passer (John Reaves) and two 1,000 yard rushers in the same season.

Spurrier led Duke to an 8-3 record in 1989 and an ACC title, the school's first since 1962, and an appearance in the All-American Bowl, the school's first post-season bowl game since the 1960 season.

SPURRIER'S BLUEPRINT FOR SUCCESS

► "Our goal is to become the best football program in this state. To accomplish this we must graduate the highest percentage of players and win more games than our in-state rivals. We also will have different football-related goals each season which will be established by our seniors. To accomplish these goals, we must have a total commitment from everyone involved in our football program. This includes our administrators, our support staff, players, coaches and our tremendous Gator fans, who we believe are the best in the nation."

► "This is the finest academic institution in the state and ranks with the very best state universities in the nation. The athletic facilities in place are outstanding. These are advantages we can offer to our players. We also offer them support and guidance in their college career, academically, athletically and in their personal life. There are dedicated professional people here who want these young men to be the best they can be in all these areas."

► "What we expect and demand from our players is that they be solid citizens off the field, be the best students possible, to graduate, and to be the best football players they can be. When all this happens then the college experience will be a positive one."

► "It is our job as coaches to teach and develop player skills. What we expect from the players is effort and concentration. When that happens you build teams that play hard all the time and keep mental errors to a minimum. This is what we will demand of our teams."

► "What do we want in an assistant football coach here at Florida? First, he must be an enthusiastic, first-class individual who gets along well with everyone. Second, he must be a coach who can teach sound, fundamental football. Third, he must treat the players as if they were his own sons and make the game fun for everyone."

► "Offensively, we try to play according to how the defense is playing and we want to spread them out. If they have eight people at the line of scrimmage, we think we should throw it. If they have five up front and six dropped back, perhaps we should be running the ball. If they're playing back in the secondary, we want to throw it in front of them and if they're playing tight, we want to throw it over their heads. Our offensive goal is to get the best possible play against that particular defense and to attempt to exploit what they are permitting."

► "Defensively, we want to develop a characteristic of being an aggressive, physical team which swarms to the football with the goal of turning it over to our offense. Obviously, team speed is a high priority. We want to be fundamentally solid but willing to take calculated aggressive moves to disrupt offenses. I think the players who are involved in this defensive scheme will have fun playing the game."

► "I think the one reason most players enjoy this offense is that everyone is involved in it. It's not designed to highlight one runningback or one wide receiver. We spread it out to include everyone, and we recognize the importance of the offensive linemen in helping it work."

People Agree— SPURRIER'S A WINNER AND AN INNOVATOR

► "Steve was a coach on the field when he played for me in the 1960s. He could make decisions under pressure, check off and turn bad plays into good plays, and when he walked into the huddle the other players were totally confident he would come up with the right move and execute it. He does that now as a coach with the rare ability to instill confidence in everybody that on the sidelines in a close ballgame his decisions and adjustments will win for you."

Ray Graves
Head Coach, 1960-69
University of Florida

► "Coach Spurrier's offense is imaginative and open, and you really can't double-team anyone or someone else will burn you. As a receiver playing for Coach Spurrier, you could always have a smile on your face if you do the one thing he asks, which is catch the ball. In his system, a receiver feels like he's a top gun."

Clarkston Hines
All-American Receiver
Duke University

► "I really enjoyed playing for Coach Spurrier (at Tampa Bay Bandits). His offense is so exciting that anything could happen with his vast repertoire of plays. He definitely keeps the game lively."

Gary Anderson
1,000-yard rusher for Tampa
Bay Bandits
Currently Tampa Bay Buc
Tailback

► "I have tremendous respect for Coach Spurrier's knowledge of the game and the application of his offense during a game. He's an upfield coach. By that, I mean he plays to attack. Whether he's ahead or behind, he's always looking to exploit what the defense is permitting. Playing in Coach Spurrier's offense prepared me for the

pro passing game. He uses the same type of route tree, the same numbering system and a lot of the same terminology as the typical pro passing attack."

Cedric Jones
Duke University All-American
Currently a Wide Receiver with
the New England Patriots

► "Steve really knows the ins and outs of the passing game. When you know it as well as he does, it takes a lot of the risk out of throwing the football... Steve taught me more about the mechanics of playing quarterback, the understanding of coverages and the theory behind the passing game, than any coach I had in the NFL."

John Reaves
Florida All-American QB and
1972 NFL first-round draft
selection. Now serves as Tight-
Ends coach at UF.

► "Steve formulates a game plan that utilizes everybody's strengths and hides everybody's weaknesses."

Ben Bennett
Duke QB, 1980-83
ACC MVP in 1983

► "The quarterback really has a lot of freedom... more responsibility to choose a better play from the audible options. You have a lot of fun."

Steve Slayden
Duke QB, 1984-87

► "Coach Spurrier really prepares a quarterback for playing in the NFL. The things he teaches you are invaluable."

Anthony Dilweg
Duke QB
1988 ACC Player of the Year
Currently QB with Green Bay
Packers

► Series & Game Notes

Florida and Alabama will be meeting for the 23rd time when the two SEC foes square off on Sept. 15th. Alabama leads the all-time series standings with a 16-6 record. Alabama records show the Tide with a 17-6 series record due to a 29-0 Tide win in 1904. Florida, however, designates 1906 as its first season of inter-collegiate play. Prior to 1906, Florida considered football a club sport activity.

Despite the fact that Florida and Alabama are both charter members of the SEC, the two schools have met only 22 total times with eight of those meetings taking place from 1916-31 before the SEC was formed and began play in 1933. Florida and Alabama have met only 14 total times since the SEC began play in 1933 with the Crimson Tide showing an 11-3 edge in those contests.

After posting a stunning 10-6 win at Tuscaloosa in 1963 (one of only two defeats that Paul "Bear" Bryant would ever suffer in Tuscaloosa in compiling a 72-2 record at the campus stadium), Florida lost eight straight games to the Crimson Tide until posting another upset, a 23-14 win in Birmingham — the last meeting

► Series & Game Notes

This will be the first time that Florida and Oklahoma State have met on the football field. Florida's season opener marks just the second time in its football history that it has opened a new campaign vs. an opponent from the Big Eight Conference. A 1973 game with Kansas State, a 21-10 UF win is the only other time in UF history that the Gators have opened a new season vs. a Big Eight opponent.

That win vs. Kansas State in 1973 not only represents the last time UF opened the season vs. a Big Eight opponent but it also represents the last time that the Gators have met a foe from that conference in regular season play. In fact, the opener vs. Oklahoma State will mark just the third time in Gator history that Florida has met a Big Eight opponent in the regular season and just the fifth time overall including bowl games. Florida's only two previous meetings vs. the Big Eight Conference in regular season play came in 1947 vs. Kansas State (a 25-7 UF win) and 1973 vs. Kansas State (a 21-10 Gator

▶ Series & Game Notes

Florida and Alabama will be meeting for the 23rd time when the two SEC foes square off on Sept. 15th. Alabama leads the all-time series standings with a 16-6 record. Alabama records show the Tide with a 17-6 series record due to a 29-0 Tide win in 1904. Florida, however, designates 1906 as its first season of inter-collegiate play. Prior to 1906, Florida considered football a club sport activity.

Despite the fact that Florida and Alabama are both charter members of the SEC, the two schools have met only 22 total times with eight of those meetings taking place from 1916-31 before the SEC was formed and began play in 1933. Florida and Alabama have met only 14 total times since the SEC began play in 1933 with the Crimson Tide showing an 11-3 edge in those contests.

After posting a stunning 10-6 win at Tuscaloosa in 1963 (one of only two defeats that Paul "Bear" Bryant would ever suffer in Tuscaloosa in compiling a 72-2 record at the campus stadium), Florida lost eight straight games to the Crimson Tide until posting another upset, a 23-14 win in Birmingham — the last meeting

between the two teams — as freshman Emmitt Smith ran for a then-school record 224 yards.

The two schools have met just six times in Gainesville with Alabama posting wins in all six games. The two teams have met in Tuscaloosa eight times with the Crimson Tide showing a 5-3 record. Other games have taken place in Birmingham (Florida holds a 2-1 edge), Jacksonville, Fla., (Alabama won both games), and Montgomery (Alabama won two of three games).

This will be Steve Spurrier's first head coaching appearance vs. Alabama. As a starting QB at Florida (1964-66) he met the Tide once (1964) with Alabama posting a 17-14 win.

► Series & Game Notes

Florida and LSU will square-off for the 37th time. LSU holds an overall 18-15-3 edge in the all-time series standings. The two SEC foes have played annually since 1971 with LSU holding a 9-8-2 series edge over that 19-year time period. LSU holds an 8-6-3 record in the 17 series games that have been played in Gainesville. LSU holds a 10-9 edge in the 19 series games that have taken place in Baton Rouge. During the decade of the 1980's, the home team managed to post a win just twice (1987, 1988). Until LSU won at Baton Rouge in 1987 (13-10) and the Gators pulled off a 19-6 upset win at Florida Field in 1988, the recent series had been dominated by the visiting team. LSU has posted a 4-3-1 mark in its last six visits to Florida Field. Florida is 4-1 in its last five trips to Baton Rouge. Overall, the visiting team posted a 7-2-1 record in this series during the decade of the 1980's. Since the start of the 1981 season, the Gators have compiled a sparkling 43-9-2 record at Florida Field. LSU is responsible for two of those rare Gator home losses (1982, 1986) and one of the two ties (1984).

► Series & Game Notes

Tennessee leads the all-time series standings between the two SEC schools with a record of 13-6. Florida, however, has won each of the last four contests, including a 17-10 win the last time the two schools met in 1985.

Florida also won 20-18 in 1976, 27-17 in 1977, and 43-30 in addition to the 17-10 win in 1985 to give the Gators a current four-game winning streak in the series.

Florida and Tennessee have met 18 times in the regular season (UT holds a 13-5 series edge) as well as one postseason contest, the 1969 Gator Bowl, with Florida edging the Vols, 14-13. Florida TE coach John Reaves was the Gator signal-caller in the bowl victory that day in Jacksonville.

Florida is 3-8 in the 11 series games that have been played in Knoxville and 2-4 in the six games that have taken place in Gainesville. The two schools' first contest was in 1916 in Gainesville. After that initial contest, the two SEC schools did not meet in Gainesville again until 1953.

Florida and Tennessee are both charter members of the SEC, but they have met only 13 times in regular season play since the Conference began play in football in 1933. The two teams met five times from 1916-32 before the SEC began official play in 1933 and have also met one time in post-season competition (1969 Gator Bowl).

Since the SEC began play in 1933, the Vols have held an 8-5 series edge in regular season play.

Tennessee's Johnny Majors is 0-3 in previous meetings with Florida, while Steve Spurrier is 1-1 vs. the Vols with both contests coming while he was head coach at Duke (a 31-26 win in 1988 and a 28-6 setback in 1989). Spurrier never played against Tennessee while he quarterbacked the Gators from 1964-66.

Florida and Tennessee have some joint ties. Tennessee Athletic Director Doug Dickey is a Florida graduate who coached the Gators from 1970-78. Florida defensive coordinator Jim Bates is a Tennessee graduate. Steve Spurrier arrived on the Florida campus in 1963 from Johnson City, Tenn., where he was an all-state standout in several sports. Bob Woodruff, who served as Florida head coach from 1950-59, was Athletics Director at Tennessee from 1963-85. Ray Graves, who served as Florida head coach from 1960-69 and as Florida AD from 1969-79, is a Tennessee graduate.

► Series & Game Notes

This is one of the oldest and most competitive series in the SEC. Florida and Auburn have met 66 previous times with the Tigers holding a 37-27-2 edge in the standings. The 66 meetings with Auburn ranks as the second most vs. an opponent in UF history. Only the 67 meetings with Georgia ranks ahead of Auburn in this category in the Gator record book.

Florida and Auburn first met on the football field in the SEC. Florida and Auburn have met every season since 1945. The two teams have met at eight different sites (Gainesville, Auburn, Montgomery, Mobile, Columbus, Ga., Jacksonville, Tampa, Miami) over the years. Since 1959, however, this game has alternated between Auburn and Gainesville.

The home field has been important in this series. The Gators hold a 17-6 edge in games played at Florida Field while the Tigers show a 22-4-1 winning mark in games played at Auburn. When Auburn defeated the Gators 18-0 in 1988, it marked the first time since 1972 that the Tigers posted a win at Florida Field. Auburn is 7-7 in its last eight appearances at Florida Field.

As pointed out above, Florida has managed just a 4-22-1 record in games played at Auburn. One of Florida's all-time most memorable wins, however, came at Jordan-Hare Stadium in 1985. A 14-10 win, only the fourth ever for a UF team at Auburn, vaulted the Gators to their first-ever number-one ranking in a wire service poll.

Auburn's Pat Dye is 5-4 in nine prior contests with Florida. Steve Spurrier has never met Auburn or Pat Dye as a total collegiate coach. As a player, Spurrier was 2-1 vs. the Tigers as Florida's starting QB and his game-winning field goal vs. Auburn in a 30-27 win in 1966 played a significant role in swaying Heisman Trophy voters, an award he eventually won that season as he outdistanced Purdue's Bob Griese in the voting. Seven of the past 11 games in this series have been decided by seven or fewer points.

► Series & Game Notes

This is truly one of the nation's premier games and rivalries. The two schools have met 67 previous times with Georgia holding a 43-22-2 lead in the series. Florida has met Georgia more times (67) than any other opponent in its football history.

The two schools first met in 1915. They have met every season since 1930 with the exception of the 1943 season when Florida did not field a team. This contest has been played in Jacksonville every year since 1933 with the exception of 1943.

Since 1961 (29 games), this annual contest has been decided by seven or fewer points 16 times. Georgia has dominated the series in recent years winning 14 of the past 18 contests.

Florida's best sustained streak of success vs. Georgia is a four-game winning streak which it achieved twice (1955-58, 1960-63). Georgia's top winning streak in the series is seven games (1941-42 and 44-45).

Georgia's Ray Goff is 1-0 in prior meetings with Florida while Steve Spurrier will be making his first appearance as a head coach vs. Georgia. As Florida's starting QB (1964-66) Spurrier compiled a 1-2 record vs. the Bulldogs.

HISTORY OF THE SEC

Commissioner Roy Kramer

The 10 universities of the Southeastern Conference began athletic competition with one another almost 100 years ago as members of the Southeastern Intercollegiate Athletic Association.

Seven institutions attended the SIAA organizational meeting of faculty representatives, called by Dr. William L. Dudley of Vanderbilt, in Atlanta, Ga., Dec. 22, 1894.

Student teams from the schools began meeting in various sports with little pattern to their contests. Baseball was the most popular campus sport, but the America adaptation of the English game rugby, called "football" was drifting down from the East and Midwest. Southerners were quickly attracted to this sport formalized in 1869.

The first football game in the Southeast was played April 9, 1880, on the ground now called Old Stoll Field at the University of Kentucky. Kentucky, then known as Kentucky A&M, was host to the contest in which Transylvania College, then called Kentucky University, upset Centre College 13 3/4 to 0. Kentucky A&M (now UK) organized a team and in November, 1881 played Transylvania a three-game series (winning 7 1/2 to 1, then losing 1 to 2 and 2 1/2 to 3 3/4). By 1895 nine schools now SEC members were playing football.

Basketball moved quickly to the South as Vanderbilt University was playing at the Nashville YMCA in 1883, just two years after Dr. James Naismith originated the game at Springfield (Mass.) College. The Commodores won 9-6 in a game with nine players on each team. Basketball became an intercollegiate sport in 1901 and in 1908 Vanderbilt was meeting Columbia and Yale intersectionally.

Track was organized on a conference level at the 1895 SIAA meeting presided over by

president Dudley was served until his death in 1914. The first annual championship meet was held at Vanderbilt on May 15, 1896, by the turn of the century eight of the 13 charter SEC members were participating.

The seven-member SIAA expanded to 19 institutions in 1895 and by 1920 there were 30 members. The larger schools reorganized as the Southern Conference at a meeting in Gainesville, Fla., Dec. 12-13, 1920. Professor S.V. Sanford of Georgia called the meeting and served as the first president. Despite an original limit of 16, the membership grew to 23 by 1928. At one time or another the SIAA and the SC included most of the Southern colleges from Virginia to Texas.

The 13 members west and south of the Appalachian Mountains reorganized as the Southeastern Conference at the annual SC meeting of Dec. 8-9, 1932, in Knoxville, Tenn. The 10 coast members remained in the Southern Conference. Dr. Frank L. McVey of Kentucky was elected president of the new conference whose charter members were: Alabama, Auburn, Florida, Georgia, Georgia Tech, Kentucky, Louisiana State, Mississippi, Mississippi State, Sewanee, Tennessee, Tulane and Vanderbilt. (Sewanee withdrew Dec. 13, 1940, while Georgia Tech and Tulane followed on June 1, 1964, and June 1, 1966, respectively). McVey held an informal meeting of the school presidents Feb. 16, 1933, in Birmingham, Ala., then the first full meeting in Atlanta, Ga., Feb. 27.

The new SEC discovered both stature and stability by designating voting power to the presidents of the member institutions. They determined the policies of the league and through the years it has been the principal source of strength in the evolution of the league, with particular reference to eligibility regulations and academic requirements.

The office of the commissioner was formed in 1940 in Jackson, Miss., due to the great amount of detail work developing, especially in recruiting and eligibility. Former Mississippi Governor Martin S. Conner took office as commissioner Aug. 21, 1940, as an extension of the authority of the presidents. Conner later became ill and the secretary of the conference, Dean N.W. Dougherty of Tennessee, served as acting commissioner during the fall of 1946.

The office was moved to Birmingham, Ala., with the appointment of Bernie H. Moore as the second full-time commissioner on Feb. 21, 1948. Moore, a former LSU coach, guided the SEC to national respect in his 18-year tenure.

A.M. (Tonto) Coleman succeeded Moore upon his retirement April 1, 1966. The Alabama native, who was reared in Texas

and experienced in athletic coaching and administration, served six and a half years.

Dr. H. Boyd McWhorter, then Dean of Arts and Sciences at Georgia and secretary of the league since 1967, accepted the position upon the retirement of Coleman Aug. 1, 1972. Under his leadership the SEC experienced unparalleled growth. In McWhorter's first year the SEC distributed \$1.57 million and 14 years later the league distributed \$15 million in revenue to the member institutions in his final year before retiring (1986).

Dr. Harvey W. Schiller, an Air Force colonel and faculty chair at the U.S. Air Force Academy, followed McWhorter, taking office Sept. 15, 1986. Under his guidance the SEC established itself as a leader in the areas of athletic scholarship and marketing.

Roy F. Kramer succeeded Schiller, who accepted the position of Executive Director of the U.S. Olympic Committee, on Jan. 10, 1990. Kramer, who has served on numerous NCAA committees, joined the league office after spending 12 years as athletic director at Vanderbilt.

The first SEC champions were crowned in 1933 in four sports (baseball, basketball, football and outdoor track). The league's inaugural championship event was a basketball tournament held Feb. 24-28, 1933, in Atlanta, Ga. Records show the first men's team title for cross-country was awarded in 1935, while golf and swimming were added in 1937. The league later began hosting championships in tennis (1953) and indoor track (1957).

In 1973-74 the SEC first awarded the Bernie Moore Trophy, symbolic of the league's premier men's athletic program. Points are awarded based on the member institutions' conference finish in all sports.

In the 1979-80 academic year SEC championships for women were recognized in basketball, tennis and volleyball. The following year golf, gymnastics, swimming and track and field were added. The administration of women's athletics officially came under the auspices of the conference office on Sept. 1, 1984. A women's all-sports champion has been awarded every year since 1983-84.

As the SEC begins its seventh decade of competition in 1990, the conference regulates nine sports for both its men's and women's programs as follows:

Men — baseball, basketball, football, golf, swimming, tennis and track (cross country, indoor and outdoor).

Women — basketball, golf, gymnastics, swimming, tennis, track (cross country, indoor and outdoor) and volleyball.

NOTEBOOK

For the second consecutive year Florida ranked third in the nation in total defense.

SQUAD NOTES

► Defense Notes

► The Florida defense ranked among the nation's finest throughout the course of the 1989 season. The Gator defense completed the season ranked third in total defense (241.9), fourth in rushing defense (88.6 ypg), eighth in pass defense (153.3 ypg) and 13th in scoring defense (15.3 ppg).

► The Gator defense ranked first in the SEC in total defense (241.9) and rushing defense (88.6), third in passing defense (153.3), and second in scoring defense (15.3 ppg). Florida was the only school in the SEC to rank in the top three of each of these four defensive statistics in final league standings.

► Florida yielded an average of just 241.9 yards per game. That average ranks as the 13th-best seasonal performance in school history for total defense and it marked the best effort in this category since 1973 (241.5).

► Florida held nine of 11 opponents to less than 300 yards in total offense, and to less than 200 yards four times. Ole Miss accumulated just 128 yards in offense, the fifth-best UF ef-

fort in that category vs. an SEC team in school history, Louisiana Tech registered 187, Memphis State 239, Mississippi State 122, the fourth-best UF defensive effort vs. an SEC team in school history, LSU 286, Vanderbilt 176, New Mexico 323, Auburn 252, Georgia 278, Kentucky 275 and Florida State 395.

► Opponents accumulated 1,686 passing yards during 1989, an average of just 153.3 per contest. Ole Miss threw for 76, Louisiana Tech 79, Memphis State 48, Mississippi State 74, LSU 179, Vandy 174, New Mexico 275, Auburn 143, Georgia 175, Kentucky 144 and Florida State 319. Opponents registered 200 yards passing vs. UF just once. Four opponents threw for less than 100 yards.

► As impressive as the Gator defense was vs. the pass, it was even more impressive vs. the rush. In 11 games, opponents accumulated just 975 net rushing yards, an average of just 88.6 ypg rushing. Ole Miss rushed for 52 yards, Louisiana Tech 108, Memphis State 191, Miss. State 48, LSU 107, Vanderbilt 2, New Mexico 48, Auburn 109, Georgia 103, Kentucky 131 and Florida State 76. The effort vs. the rush against Vanderbilt was the fourth fewest rushing yards allowed in a game in school history and the

third best effort vs. the rush against an SEC foe in school history.

► As mentioned above, UF gave up an average of just 88.6 yards per game rushing. That ranks as the second-best performance in history by a UF defense and it ranks as the best performance by a Gator defense since 1965 (88.4).

► Ten of 11 opponents (all but Memphis State) were held to less than 150 yards rushing. Florida held five teams (Ole Miss - 52, Mississippi State - 48, Vandy - 2, New Mexico - 48, Florida State - 76) to less than 100 yards rushing.

► Opponent offenses averaged just 2.5 yards per rush and converted on just 29.9% of their third down opportunities.

► Florida's defense allowed just 18 touchdowns in 1989 (8 rushing, 10 passing).

► Opponent offenses started 138 drives vs. the UF defense in 1989. On only 26 occasions, a success rate of just 18.8%, did opponents end the drive with a score (18 TD's and eight FG's).

► Florida's defense racked up 85 tackles for negative yardage in 1989 for lost yardage totaling 446 yards. Against Memphis State, the Gator defense was credited with 14 tackles for negative yardage. Against Kentucky, the Gators had seven sacks and three tackles for loss for

a total of 53 yards. Against Florida State, the Gators made nine tackles for loss for 38 yards, and had three QB sacks, totaling 26 yards.

► Florida yielded just 28 first-quarter points in 1989.

► Florida had 17 interceptions and seven fumble recoveries in 1989. Those turnovers were converted to 82 Gator points.

► Florida's defense held opponents to an average of just 3.5 yards on first down plays (2.6 rushing and 5.2 passing).

► Florida's defensive performance was even more impressive in light of the relative inexperience of the unit. Thirteen of the 22 players on Florida's two-deep depth chart were freshmen or sophomores. Florida had just four seniors on its entire defensive roster (including two former walk-ons who had since earned scholarships and one JC transfer). Only two of 11 starters were seniors. Nineteen of 22 players on the 2-deep were non-seniors, and 29 of 33 on the 3-deep were non-seniors.

► Florida has yielded just 24 total TD passes in its last 163 quarters (nearly 41 games). In addition, Florida has surrendered just 28 total TD passes in the past 50 regular season games (0 in the final six games of 1985, just four in 1986 and 1987, 10 in 1988 and 10 in 1989).

► Florida is the only school in the SEC that has ranked in the top three in total defense in conference rankings in each of the past seven seasons.

► Offense Notes

► Florida's offense averaged 392.8 yards per game in 1989, the third-best figure in the SEC. The Gators averaged 244.8 yards per game rushing, the second-best figure in the SEC, and the 12th-best in NCAA rankings.

► Florida's offense averaged nearly 80 yards more per game in total offense in 1989 than it did in 1988. The Gators averaged 392.8 yards per game in '89 compared to just 316.0 ypg in 1988. The Gators averaged 148.0 ypg via the pass, and 244.8 ypg with the running attack.

► Florida rushed for more than 160 yards in all 11 games in 1989. Florida rushed for a season-high 466 yards in the win over New Mexico. Florida also ran for more than 200 yards eight times: Louisiana Tech (259), Memphis State (214), Mississippi State (225), Vanderbilt (362), New Mexico (466), Auburn (211), Kentucky (226) and Florida State (209).

► Florida averaged 244.8 rushing yards per game in 1989, tying the third-best seasonal average in Gator history.

► Florida rushed for 2,693 net yards in 1989, tied for the third-most in school history. The 1975 Gators ran for a record 3,326 yards. The 1989 Gators matched the 1984 and 1977 teams with 2,693 rushing yards.

► Florida's rushing average of 4.97 yards per carry was the fourth-best in UF history. Only the 1976 team (5.9), the 1975 team (5.1) and the 1984 team (5.03) rushed the ball for more yards per carry than the 1989 edition.

► Florida's 4,321 total offensive yards in 1989 were the eighth-most in Gator history. The 1989 offense was the ninth UF unit to pass the 4,000-yard mark in school history. The record

Hurry Richardson set a school single-season record with 12½ QB sacks.

is 4,540 yards in 1982. The Gators 5.7 yards per play stands third-best in UF history. Only the 1976 team (6.9 ypp) and the 1984 Gators (5.9 ypp) averaged more yards per play. The 392.8 yards per game in 1989 rank as the eighth-highest season average in school history.

► Florida passed the 400-yard mark in total offense five times in 1989. The Gators totaled 532 yards vs. New Mexico, 520 yards vs. Louisiana Tech, 424 vs. Memphis State, 486 vs. Vanderbilt and 438 vs. Georgia. In 1988, the Gators exceeded 400 yards in total offense twice, vs. Montana State and Indiana State, each a Division I-AA opponent.

► In 1989, Florida tossed 10 touchdown passes, seven more than in the entire 1988 campaign.

► Florida's 466 yards rushing vs. New Mexico ranks as the third-most in Gator history. The top two figures in Gator history are 531 yards vs. Utah in 1977 and 489 yards vs. The Citadel in 1953.

► Florida rushed for more than 300 yards in consecutive games versus Vanderbilt (362) and New Mexico (466), the first time since 1984 that they have done that. The last time the Gators topped 300 rushing yards in two straight games was in 1984 when they ran for 308 yards vs. Tennessee and 393 yards vs. Cincinnati.

► Six different Gator players caught TD passes in 1989. Five of the 10 TD passes were for 43 yards or more (69 yards to Ernie Mills vs. Louisiana Tech, 84 yards to Tony Lomack vs. La. Tech, 43 yards to Terence Barber vs. La. Tech, 48 yards to Stacey Simmonds vs. Memphis State and 71 yards to Mills vs. Vanderbilt).

► The Gators made some big plays happen on first down in 1989. In fact, 48.2% of the Gators' total offense came on first down plays. The Gators ran 331 first down plays picking

up 2,084 yards — an average of 6.3 yards per first down attempt. Conversely, the opponents had just 949 yards on 270 plays, a first down average of 3.5 yards. Florida averaged 8.8 yards per pass play on first down and 5.4 yards per rush on first down.

► Florida has won 40 of the last 45 regular season games in which a Gator runner has accumulated more than 100 yards. Florida was 7-0 in 1988 (all by Emmitt Smith) when a back rushed for 100+ in nine games in 1989. Smith rushed for 100+ in nine games in 1989.

► Since the start of the 1983 season, Florida has held the rushing edge in a game 55 times. Florida is 45-7-3 in such games.

► In 1989, Florida penetrated the opponent's 20-yard line on 35 different occasions and came away with points 32 times. Only a missed FG in the season opener vs. Ole Miss, a subsequent punt vs. Auburn after a penalty and a rushing loss and a missed 33-yard FG vs. Florida State prevented the Gators from being perfect in this regard. Of the 32 scores, 22 were touchdowns, along with 10 field goals.

► Florida began 141 drives and scored on 44 of them for a 31.2% scoring success mark.

► Florida had 17 goal-to-go situations and scored on all 17 of them (14 TD's and 3 FG's).

► Florida converted 66 of 161 third-down conversions, a success rate of 41.0%.

► Special Teams

► Since 1983, Florida place-kickers have successfully converted on 126 of 158 field goal attempts (79.7%).

► The Gators returned 31 kickoffs for 717 yards in 1989, averaging 23.1 yards per return, a figure that ranked as ninth-best in the nation. That is the second-highest seasonal average per return in Florida history. The 23.1 yards fell just short of the mark set in 1969 of 23.2 ypr (35 returns for 813 yards).

► Tony Lomack's 99-yard kickoff return for a touchdown vs. Kentucky was the second-longest kickoff return in Gator history. Pat Reen holds the Florida record with a 100-yard return vs. Miami in 1940. Lomack's return was UF's first KO return for a score since Stacey Simmonds' score vs. Ole Miss in 1988.

► Tony Lomack's 159 yards on three kickoff returns vs. Kentucky established a UF record for kickoff return yardage in a single game. The record was previously held by Cris Collinsworth, who returned four kicks for 150 yards vs. LSU in 1978.

► Florida attempted 30 extra point kicks in 1989 and was successful on all 30. Florida kickers have converted on 36 consecutive PAT's, dating back to the last miss in the 1988 game vs. Vanderbilt.

► Florida's two placekickers, Arden Czynowski and John David Francis, were 15 of 20 in field goal attempts during 1989. Czynowski had a string of seven successful field goals before a season-ending injury. Opponent kickers were nearly perfect, hitting nine of 11 field goal tries and all 17 PAT's.

► Florida punter Hank Rone averaged 48.0 yards per kick vs. Kentucky, the best single-game average for UF during 1989. It also

marked the only time that UF averaged as a team more than 40 yards per punt during the season.

► Hank Rone's 65-yard punt vs. Kentucky was the longest of the year and the seventh-longest in UF history. It was the longest punt since Ray Criswell hit 73 and 70 yarders vs. LSU in 1982.

STATISTICAL TRENDS

► Florida is 41-1-1 in regular season games since the start of the 1982 season when it scores more than 21 points in a game. Only a 31-29 loss to Vandy in 1982 and a 28-28 tie with Rutgers in 1985 prevent Florida from being a perfect 43-0-0 since 1982 when it scores more than 21 points. Since the 31-29 loss to Vandy in 1982, Florida is 41-0-1 in this category, and 21-0-0 when scoring more than 21 points since the 28-28 tie with Rutgers in 1985.

► Florida is 40-4-0 during the regular season since the start of the 1982 season when it holds its opponent to 14 or less points a game. A 10-9 loss to Georgia in 1983, a 10-3 setback to Kentucky in 1986, a 13-10 loss to LSU in 1987 and a 10-7 loss at Auburn this season, are the only four times in regular season play since the start of the 1982 season that UF has suffered a loss when it held its respective opponent to 14 or fewer points.

► Florida is 35-5-3 during the regular season since the start of the 1982 campaign when it registers more than 375 yards a game in total offense. Prior to the losses to Georgia and Mississippi in 1989, it was 11-0-0 in that category since a 24-3 loss to Georgia in 1985. UF accumulated 436 yards in total offense that day. The Gators totaled 438 yards in the 1989 loss to Georgia, and totaled 379 total yards on offense in the 1989 season-opening loss to Ole Miss.

► Florida is 44-8-1 since the start of 1982 when it allows 300 or less yards a game in total offense. Florida is 18-2-1 since 1982 when it allows 225 or less yards a game in total offense. Prior to the 1989 season-opening game with Mississippi, the only time since 1982 that UF had lost a game when holding an opponent to 225 or less yards a game in total offense was in 1988 vs. Auburn. Florida lost 16-0 to Auburn despite holding the Tigers to 207 yards total offense. Florida limited Ole Miss to just 128 yards on offense, but lost 24-19.

► Florida is 31-3-1 in the regular season since the start of the 1982 season when it rushes for more than 200 yards in a game. The only times that UF has suffered a loss in regular season play since 1982 when rushing for more than 200 yards was in 1982 when it rushed for 255 yards vs. Vandy but still suffered a 31-29 setback and in 1989 vs. Auburn and Florida State. Against Auburn, it rushed for 211 yards and lost 10-7, while vs. the Seminoles the Gators gained 209 yards but lost 24-17.

► Florida is 27-3-1 in regular season play since 1982 when it gives up 100 or less rushing yards in a game. Prior to the 1989 loss to Florida State, when the Seminoles rushed for only 76 yards, and the season-opening defeat by Ole Miss, when the Rebels gained just 52 yards rushing, Florida was 8-0-0 in that category since suffering a 31-4 defeat to Miami in the 1987 season

opener, despite holding the Hurricanes to just 34 net rushing yards on the day. The only other blemish on an otherwise perfect mark in this category since 1982 is a 19-19 tie with Southern Cal in 1983 when the Gators held the Trojans to just 92 net rushing yards on the day.

► Since 1982, Florida shows the following record when it: Scores first (45-9-1), leads at the end of the first period (40-6-1), leads at the half (47-6-2), leads at the end of the third period (51-3-3). A 13-10 setback to LSU in 1987 (after leading 10-3 entering the fourth period), a 10-9 loss to Georgia in 1983 (after leading 9-3 entering the fourth period) and a 10-7 loss to Auburn this season (after leading 7-3 heading into the fourth quarter), are the only three times since 1982 (regular season) that UF has lost a game when entering the fourth period with a lead. The only times since 1982 that Florida has led at the half and ended up losing the game were in 1986 when it lost to Miami 23-15 after leading 9-7 at the half, in 1986 in a 21-7 loss to Alabama after leading 7-0 at the half, a 13-10 loss to LSU in 1987 after leading 10-3 at the half, a 28-14 loss to Florida State in 1987 after leading 14-9 at the half, a 10-7 loss to Auburn in 1989 after leading 7-0 at the half and the 17-10 loss to Georgia in 1989 after leading 7-3 at halftime.

RECORD SETTERS

► Junior running back Emmitt Smith completed the year with 58 University of Florida records and one Southeastern Conference record. Smith holds 19 UF career, 31 single-season and eight game records. Smith's achievements in 1989 included setting UF records for career rushing yardage (3,928 yards), single-season rushing yardage (1,599 yards), single-game rushing yardage (316 yards vs. New Mexico), career rushing touchdowns (36), career overall touchdowns (37), single-season rushing touchdowns (tied with 14), 100-yard games in a season (nine), career regular-season 100-yard games (23), career all-purpose yards (4,391 yards) and career points (222).

► Huey Richardson set a UF single-season record with 12 1/2 QB sacks in 1989, breaking Alonzo Johnson's mark of 12 set in 1985.

ODDS AND ENDS

► Florida Football and Television

► Florida has ranked among college football's top television attractions in the last three years (19 national television appearances in its last 36 games). The Gators appeared on national TV a school-record eight times in 1987. Florida had six national TV appearances in 1988 and five in 1989. Florida has appeared on national TV 16 times in its last 29 games (each of the final five games in 1987, six of 12 games in 1988 and five of 12 in 1989.)

► Notes on 1989 Florida Honorees and Honors

► Florida had seven players selected to the 1989 SEC Academic Honor Roll. The seven selections raised to 61 its total number of honorees for this award in the decade of the 1980's, third best in the conference during that time period. Kentucky led the SEC during the 1980's with 68 total SEC Academic Honor Roll with Ole Miss second at 61.

► Five Gator players earned All-America recognition in 1989. Emmitt Smith was a consensus first-team All-America choice. DB Richard Fain earned second team All-America status (UPI) while OLB Huey Richardson, OLB Godfrey Myles and OT John Darden earned honorable mention All-America honors from the Sporting News.

► Florida had four players (RB Emmitt Smith, OT John Darden, OLB Huey Richardson and DB Richard Fain) named first-team All-SEC.

► RB Emmitt Smith was named first-team All-SEC for the third consecutive year. He is the first player in UF history to record first-team All-SEC honors three times by the conclusion of his junior year.

► Emmitt Smith joins RB Larry DuPree (1962-64), RB Larry Smith (1966-68), WR Cris Collinsworth (1978-80) and OLB Wilber Marshall (1981-83) as the only three-time first-team All-SEC selections in school history. No Florida player has ever earned first-team All-SEC honors in four seasons.

► RB Emmitt Smith is the first player in UF history to be accorded first-team All-SEC honors in each of his freshman, sophomore and junior seasons.

► Emmitt Smith was a consensus first-team All-America selection in 1989. Smith joins 1966 Heisman Trophy winner Steve Spurrier as the only consensus All-America selections in school history. Smith is the first consensus All-America running back in school history.

► Emmitt Smith became the 32nd player in Florida history to earn first-team All-America honors.

► When Emmitt Smith attained first-team All-America honors in 1989 it marked the ninth straight year at least one Gator player has been accorded first-team All-America honors. Florida had at least one first-team All-America player in each year of the 80's.

► Emmitt Smith finished seventh in the 1989 Heisman Trophy balloting. He placed ninth in balloting for that prestigious award as a freshman in 1987.

► When Emmitt Smith placed seventh in the Heisman Trophy balloting in 1989, he joined Steve Spurrier as the only players in UF history to finish in the top 10 of that balloting twice. Smith was ninth in 1987 while Spurrier was ninth in 1965 and first in 1966.

Ole Miss — 24

Gainesville

GAINESVILLE, FL. — Despite holding Ole Miss to 128 yards in total offense, the Gators dropped the season opener to the Rebels, 24-19. Four Gator turnovers led to Ole Miss' 24 points.

Florida's defense, led by inside linebacker Pat Moore's 13 tackles, one interception and one fumble recovery, held the Rebels to 52 yards on the ground and 76 in the air. The 128 yards were the 11th-fewest allowed by the Gators in any game in their history and the fourth fewest allowed against an SEC opponent. Ole Miss registered just eight first downs and drove past midfield just one time in the entire game.

Junior running back Emmitt Smith rushed for 117 yards and two touchdowns, establishing a UF record for career 100-yard games (regular season games) with his 15th such performance. In addition, Smith moved past John L. Williams into third place on the all-time Florida rushing list. He highlighted an offense that accumulated 379 yards, a total that outgained Ole Miss by a nearly three-to-one margin.

The loss for the Gators was the first in a season home opener since 1977 when Alabama beat the Gators 38-0. Ole Miss broke Florida's 14-0-3 run of success in home openers. In addition, the 19 points scored by Florida were the most by a Gator squad in a defeat since it lost 32-20 to Miami in the 1984 season opener.

Ole Miss scored one touchdown after returning an interception to the Florida 15 yard line; scored another TD on a 58-yard interception return; converted on a field goal after recovering a fumbled punt return; and converted on a 66-yard TD drive after a fumble recovery. Twenty-eight of the 66 yards on that drive, the only one past midfield all day for Ole Miss, came on a pass play off a fake punt formation. The drive was also the only Rebel series that accumulated more than 20 yards.

GAINESVILLE, FL. — Sophomore quarterback Kyle Morris threw for 254 yards and three touchdowns on just six completions, and the Florida defense held its opponent under 200 yards total offense for the second consecutive week, as the Gators handed Louisiana Tech a 34-7 defeat.

Morris, who had three TD passes in 1988, all against Division I-AA competition, connected with three different receivers for long scoring strikes. Morris hit Ernie Mills for 69 yards on the Gators' third play of the day; he hooked up with Terry Lomack for an 84-yard TD early in the third quarter (the fifth-longest scoring pass play in Gator history); and he hit Terence Barber for a 43-yard score later in the third quarter. For Morris, it was his second straight 200-yard passing day, and first game with more than two TD passes. Lomack and Barber scored their first career touchdowns.

The first quarter scoring play from Morris to Mills was the first TD pass by the Gators in 11 games and the first against a Division I-A school since the 1987 Aloha Bowl.

Junior tailback Emmitt Smith rushed for 100 yards and a touchdown, extending his 100-yard regular season games record to 16, and tying him for second place at UF with 25 rushing TDs. Smith highlighted a ground attack that registered 259 yards. Backup tailback Willie McClendon rushed for a career-high 90 yards on just 12 carries.

The Gators rolled up 520 yards in total offense, including 325 yards in the second half when they extended a 10-7 halftime advantage to the final margin of 27 points.

Florida's defense allowed the Bulldogs just 187 total yards (108 rushing and 79 passing). The Gators picked off three passes, two by inside linebacker Jerry Odom. The Gators allowed an average of just 1.2 yards on 26 first down plays.

MEMPHIS, TN. — Junior tailback Emmitt Smith rushed for 182 yards and two TDs and sophomore quarterback Kyle Morris threw for 250 yards and two TDs as the University of Florida won its initial road game of the year, 38-13 at Memphis State.

Smith ran for 184 yards in the first two quarters alone and established the seventh-best rushing performance in Florida history with his 17th regular season 100-yard game. Smith ran past Terry Green into second place on the UF all-time rushing yardage list with 2,728 yards. Smith also moved into second place on the UF all-time rushing TDs list with his 26th and 27th scores, moving past Buford Long.

Morris completed 15 of 26 passes for 210 yards and three second-quarter scoring passes of 48 yards to Stacey Simmons and 13 yards to Terry Lomack. Morris' 200-yard outing was his third in as many games, marking the first time since late in the 1985 season that a Florida QB accomplished that feat. The two TD passes gave Morris five in two games, the most in consecutive games since Kerwin Bell hit for six TDs in the last game of 1985 and the first game in 1986. Morris connected with nine different receivers on the evening.

Junior outside linebacker Huey Richardson and sophomore inside linebacker Tim Paulk returned from two-game leave suspensions and made an immediate impact. Richardson, Florida's Defensive Player of the Game, made nine tackles including seven solo stops, had one tackle for loss and recorded three QB sacks. Paulk made five tackles and returned an interception 50 yards for a fourth-quarter touchdown.

Richardson and Paulk helped a Florida defense register nine tackles for loss for a total of 31 yards; the Gators also sacked the QB five times for 22 yards. Florida compiled 424 yards total offense, while holding the Tigers to 239 net yards, just 48 via the pass. This marked the third straight game that Florida had totaled more than 375 yards and held its opponents to less than 240 yards.

TAMPA, FL — Sophomore quarterback Kyle Morris threw three touchdown passes and the University of Florida defense held Mississippi State to just 122 yards total offense as the Gators shutout the Bulldogs 21-0 at Tampa Stadium.

Morris, 8 of 15 for 131 yards on the night, connected on scoring passes with Willie McClellon for 18 yards in the second quarter, with Terrence Barber for 34 yards also in the second quarter and with Emmitt Smith for 10 yards in the first quarter.

Florida's defensive effort elevated the Gators to the top of the NCAA's total defense rankings. Mississippi State managed just nine passing yards and 15 rushing yards in the opening half and finished the game with the fourth-fewest yards ever accumulated against the Gators by a Southeastern Conference opponent and the 12th-fewest by any Gator foe.

After recording three first downs in the first 10 minutes of the opening quarter, Mississippi State went 25 plays from scrimmage and nearly 27 minutes without earning another first down vs. the Gators defense.

The Gators had five tackles for loss and recorded two QB sacks for a total of 43 negative yards. Pat Motter led the way with 10 tackles and Tony McCoy added a nine-yard sack and two fumble recoveries.

Junior tailback Emmitt Smith was held to under 100 yards for the first time in 1989, but with 94 yards passed three players in the SEC career rushing standings to move into 14th place with 2,822 yards. Smith's fourth-quarter scoring reception was his first career TD catch. Smith became the sixth Florida player to catch a TD pass in 1989 — two players caught scoring passes the entire 1988 season.

Smith and Morris helped the Gators top 356 total net yards, the fourth straight time in 1989 that the Gators topped the 350-yard mark in total offensive production. Florida's 225 net rushing yards was the third consecutive 200-yard plus rushing effort — each a UF victory.

BATON ROUGE, LA — Sophomore placekicker Arden Czynewski kicked a 41-yard field goal at time expired to give the Gators a 16-13 come-from-behind victory on the road at Louisiana State University.

The win was the fourth in a row for the Gators in 1989 and the last in head coach Galen Hall's career at Florida. Hall resigned the following day. His career record at Florida concluded at 40-18-1.

Czynewski's kick, his second successful FG of the night and only third of his career, capped a nine-play, 56-yard Florida drive, which began with only 1:19 showing on the clock and the ball at the Gators' 20. LSU had tied the score at 13-13, just moments before, on a 36-yard field goal.

The road victory for the Gators was the eighth time in the decade of the '80s in which the visiting team in the UF-LSU series took the victory.

Florida trailed 10-3 in the third quarter, but came back to take a 13-10 lead in the fourth. Sophomore Tim Paulk blocked an LSU punt that set up a Czynewski 34-yard FG in the third that cut the margin to 10-6. It was the fourth time in 13 games that Paul had blocked a punt and the third time it led to a Gator score.

Early in the final quarter, tailback Emmitt Smith rushed 19 yards for a touchdown and a 13-10 UF lead. The TD was the 28th rushing score of his career; overall, it was Smith's 29th TD, as he surpassed Wes Chandler to move into second place in UF history in that category behind Neal Anderson's 32. Smith rushed for 117 yards on 29 carries, the third straight time that Smith passed the century mark vs. LSU. Smith moved past Johnnie Jones of Tennessee and Mark Higgs of Kentucky into 12th place on the all-time SEC rushing yardage list.

Junior outside linebacker Huey Richardson received SEC "Defensive Player of the Week" honors following his outstanding showing vs. the Tigers. Richardson topped the relentless Gator defense with 18 tackles, including one for loss and four quarterback sacks, one pass breakup and

countless pass hurries. In all, Richardson cost the Tigers 23 yards in lost ground.

The Florida defense, which came into the contest as the number-one ranked unit in NCAA stats in total defense, held its fifth consecutive opponent to under 300 yards total offense. LSU became the first team in 1989 to exceed the 250-yard plateau, but the Gators held the Tigers' All-SEC QB Tom Hudson to under 200 yards passing and picked off three passes. The Gators held six LSU rushers to just 107 yards, with no player gaining more than 33 yards.

Two of the DDTs were by cornerback Richard Fain. Fain also picked off Hudson twice in 1988.

GAINESVILLE, FL. — Junior runningback Emmitt Smith rushed for 202 yards and one touchdown and became the second player in Gator history to pass 3,000 yards rushing, as the Gators defeated Vanderbilt 34-11.

The win was the fifth in a row for the Gators and gave interim head coach Gary Darnell a win in his Florida head coaching debut.

Smith joined Neal Anderson as the only Gators to rush for 3,000 career yards, topping the mark on a 40-yard run late in the first half. Smith, who earned SEC co-Offensive Player of the Week plaudits following this performance, scored his 29th rushing touchdown in the opening quarter to move one behind Anderson's school-record 30.

Smith's 202 yards, which included 119 in the first two quarters, were the fourth-most in Gator single-game annals, and the second time in he rushed for more than 200 yards. He added to his school-record of regular season games with 100 or more yards with his 19th such effort.

Smith (3,141) moved just 93 yards behind Anderson (3,234) in career rushing at Florida and moved into 10th place in all-time SEC rushing records. Smith passed Larry Tate of Georgia and Eddie Price of Tulane and became only the 12th back in conference history to top 3,000 yards.

Sophomore quarterback Kyle Morris moved into 5th place all-time at UF in passing yardage (2,315), passing David Bowden and Jimmy Fisher vs. the Commodores.

Florida controlled both sides of the ball, allowing Vanderbilt just two yards net rushing the entire game, while running for 362 yards, the most since 1984. The two yards rushing allowed by the Gators was the fourth-fewest ever allowed and the third vs. an SEC foe.

The game marked the sixth straight game in 1989 in which the Gators allowed less than 300 yards total offense (176), the sixth straight time in which they allowed less than 200 rushing yards (2) and the third time in which the Gators totaled more than 400 yards offense.

Morris completed six passes for 124 yards, an average of 20.6 yards per reception. That included a 71-yard scoring pass from Morris to Ernie Mills in the second quarter.

Sophomore placekicker Arden Czynewski was good on all six of his kicking attempts — four for four on PAT conversions and perfect on field goal tries from 23 and 39 yards.

Following its performance vs. Vanderbilt, Florida's defense regained the number-one spot in the NCAA's total defense (109.7 ypg) and passing defense (305.0 ypg) statistic.

GAINESVILLE, FL. — Junior runningback Emmitt Smith rushed for a University of Florida record 116 yards and scored three touchdowns to lead the Gators to a 27-21 Homecoming Weekend win over New Mexico.

Smith established 15 new UF standards, including most career rushing yards (3,437), most career rushing TDs (32), most career TMs (32), most career all-purpose yards (3,863), most yards in two consecutive games (581), most yards in three consecutive games (635) and highest average per carry (minimum 30 carries — 10.2).

Smith became the first Florida player to ever rush for 300 yards in a game and recorded the second-best rushing day in Southeastern Conference history. Only Frank Moseley of Vanderbilt, who rushed for 321 yards vs. Air Force in 1978, rushed for more yards.

Smith began the scoring with a 12-yard TD run that tied him with Neal Anderson for the UF record in rushing TDs with 30. In the second quarter, with Florida leading 7-0, Smith embarked on a 72-yard TD run that rewrote the UF record book. On that play, Smith's longest run of the season, he set UF records for career rushing yards (surpassing Anderson's 3,234), for career rushing TDs (surpassing Anderson's 30), for yards in a season by a junior (surpassing Anderson's 994), and tied Anderson's record of 42 overall touchdowns.

In the third quarter, Smith rushed for his third score of the day, a one-yard run that established him as the all-time leading touchdown maker in UF history.

Smith passed the 1,000-yard rushing mark for the season with more than nine and a half minutes left in the third quarter, tying his own school-record for the fewest games played (7) in order to rush for 1,000 yards in a season. He finished the day with 1,120 yards in seven games, already the third-most yards in a season in school history.

With 9:01 left in the third quarter, Smith broke the UF record that he already held for rushing yards in a game, topping the 224 yard-day he ran for vs. Alabama in 1987 in his first career start.

Smith topped the 300-yard mark and established the SEC's second-best rushing day when he broke for 39 yards with just over two minutes left in the game on his final carry of the afternoon.

Redshirt freshman quarterback Ken Smith made his collegiate debut, in a starting role, and completed four-of-seven passes for 39 yards. Freshman Donald Douglas quarterbacked the second half following a hand injury suffered by Smith, and ran for 42 yards on seven carries.

Florida rushed for 486 yards, the third-highest rushing total in a game in school history. The Gators rushed for more than 300 yards for the second consecutive week, the first time since the seventh game of the 1984 season that they had done that.

The Gators rolled up 532 yards in total offense, the 14th best day in team history, and the third time in 1989 that they had topped 500 yards.

New Mexico passed 275 for yards and three touchdowns, the most yards and scores vs. the Gators via the pass in 1989. The Lobos' 323 yards total offense also were the most allowed by the Gators and the first time all year a team had topped 300 yards. Florida held the Lobos to just 48 net rushing yards, the fourth time in seven games that the Gators have held their opponent under 100 yards on the ground.

The Gators ran out to a 24-7 lead behind E. Smith's three touchdown runs and an Arden Cryanowski field goal, but the Lobos scored early in the fourth to narrow the margin to 24-14. Following another Cryanowski field goal, New Mexico connected on a 57-yard TD pass with 3:52 to play to cut the Gators' lead to 27-21. The Lobos had one more chance to take the lead, but UF safety Will White ended the threat with his first career interception with 0:16 left.

The win was the sixth in a row for Florida, its longest winning streak since 1983.

 Auburn

AUBURN, AL — Auburn quarterback Reggie Slack threw a 25-yard touchdown pass to Shayne Warden on a fourth down and 11 play with just 26 seconds left in the game to lead the Tigers to a 10-7 SEC victory over the Florida Gators before 85,214 fans and a national television ESPN audience.

Florida had taken a 7-0 lead with 4:09 to play in the first quarter when Emmitt Smith ran in a touchdown from five yards out. Smith's TD scamper followed a fumble recovery by Brad Cadeppier. The touchdown was the 33rd rushing score of Smith's career (tying him for eighth place in SEC history) and his 34th overall TD (tying him for ninth place in SEC history).

Smith rushed for 86 yards on 27 carries, only the second time in UF's first eight games that the junior back did not reach the 100-yard mark. Smith finished the night with 1,214 yards through the first eight games of the season, just 127 yards shy of the single-season record of 1,341 yards he set in his 1987 freshman season.

Auburn cut the Gators' lead to 7-3 on a 47-yard Win Lyle field goal that hit the cross bar in the third quarter and threatened to narrow the margin to 7-6 in the fourth quarter when Lyle attempted a 22-yard FG. UF linebacker Godfrey Myles blocked the kick, however, and gave the Gators the ball with 5:31 left in the game. Auburn's ill-fated drive consumed nine minutes of the clock.

After the Gators ran three plays and were forced to punt, the first plays by the Gators in the fourth quarter since a punt on the first play of the period, Auburn took over at the its own 47 with 3:56 to play. Slack's game-winning toss to Warden capped an eight-play, 53-yard drive.

The game marked the collegiate starting debut of Florida's Donald Douglas. Playing in his fifth game of the year, Douglas became the first true freshman to start at QB for the Gators since Wayne Peace did so in 1980. Douglas completed one of five passes for six yards and rushed for 60 yards on 12 carries.

Florida rushed for 213 yards, the eighth consecutive time it rushed for more than 100 yards in a game in 1989 and the sixth time in eight games that the Gators topped the 200-yard mark as a team. The six yards passing by the Gators was the eighth-least in school history.

The Gators maintained its statistical claim as the top-ranked defense in the nation, allowing the Tigers 252 total yards (108 rushing; 143 passing). Inside linebackers Pat Murrey and Jerry Odom led Florida with 11 and 10 tackles, respectively, while OLB Huey Richardson and safeties Ephraim Barker and Will White had nine each.

The Tigers' James Joseph led Auburn's ground attack with 35 yards, only the fourth player in the first eight games to rush for more than 30 yards vs. the Gators. It was the eighth time in as many games that the stingy Florida defense allowed fewer than 200 rushing yards.

 Jacksonville

JACKSONVILLE, FL — University of Georgia running back Rodney Hampton rushed for 121 yards and two third-quarter touchdowns and the Bulldogs turned a pair of Florida turnovers into 14 points as Georgia handed the Gators a 17-10 setback in front of 81,377 at the Gator bowl.

Florida dominated the game statistically, topping the Bulldogs in total yards (436-278), passing yards (247-175), rushing yards (191-103), first downs (25-15), time of possession (34:26-23:34) and offensive plays (78-40). The Gators, however, had three passes intercepted, lost one costly fumble and committed 10 penalties. Georgia turned the ball over just once and committed eight penalties.

Florida's 436 yards marked the fifth time in the first nine games of the year that the Gators topped the 400-yard plateau, but it was only the first time that the Gators lost such an outing. The Gators' two quarterbacks, starter Donald Douglas and Lex Smith, combined for 18 completions and 247 yards, the first time since week three that Florida had passed for at least 200 yards. The 247 yards were the second-most passing yards in the first nine games of the season and the 18 completions were the most since 18 were completed vs. Ole Miss in the season opener.

Florida running back Emmitt Smith posted his 21st career regular season 100-yard game, rushing for 106 yards on just 22 carries. Smith also caught a team-high six passes for 46 yards. Smith moved past Jimmy DuBose (1,307 in 1975) for second place on the UF single-season rushing list. Smith

finished the game with 1,320 yards, just 21 shy of the single-season record of 1,341 yards he set in 1987.

Smith also moved past Neal Anderson in career rushing attempts. Anderson had rushed 638 times and Smith concluded the Georgia game with 641 career attempts.

Florida's defense held the Bulldogs to 278 total yards, the eighth time in the first nine games of the season that it has allowed less than 300 yards. The Gators also yielded just 103 rushing yards, the eighth time in nine games in which they have allowed less than 150 yards rushing.

Georgia's John Kasay opened the scoring on a 46-yard field goal with 3:46 to play in the half. Florida came right back, scoring on a 19-yard pass from Douglas to Ernie Mills. Mills had caught a 37-yard pass at the Georgia 29 to set up the score. It was the first touchdown pass by the Gators since the Vanderbilt game in week six and would prove to be the final TD pass of the season.

Leading 2-3 early in the third quarter, the Gators took the opening kickoff and drove to the Georgia 22 but the Bulldogs held on fourth and one and took over on downs. Florida strong safety Ephraim Bartley made his first career interception two plays later, at the Georgia 46, but the Gators turned the ball right back to the Bulldogs when Stacy Simmons fumbled at the Georgia 24 following a 22-yard reception.

From there, Georgia marched 76 yards to the end zone on seven plays, highlighted by a 29-yard pass play to Hampton and capped by Hampton's five yard run around right end.

Leading 10-7, Georgia's defense got the ball right back to its offense, as Ben Smith acrobatically intercepted a Douglas pass at the Florida 37. Six plays later, Hampton dove over the top and scored from two yards out and Georgia had built a 17-7 lead with 14 points in just 2:54.

GAINESVILLE, FL — Running back Emmitt Smith rushed for 126 yards and two touchdowns, freshman quarterback Donald Douglas added 51 rushing yards and two scores and Terry Lomack returned a kickoff 99 yards to key Florida's 38-28 win over Kentucky.

Smith and Douglas' rushing efforts complemented a Florida defense that yielded just 131 yards rushing and had nine quarterback sacks. DT Terry McCoy and ILB Jerry Odum combined for four and one-half sacks for 33 yards. ILB Pat Moorhead had his sixth game of the year with 10 or more tackles and Huey Richardson had his 12th sack of the year. The down sacks moved Richardson into a first-place tie with Alonzo Johnson in UF single-season history.

Smith broke his own UF record for rushing yards in a single season, a record he established as a freshman in 1987 with 1,341 yards on 229 carries. Remarkably, the ever-consistent Smith passed his 1987 rushing totals on his 230th carry of the 1989 season. He finished the day with 1,446 yards on the year, seventh-most in SEC single-season history.

Smith's two touchdowns helped establish a new UF career record for most points scored with 216. Smith also set a UF record for single-season rushing attempts with 254 and he also set a record for touchdowns by a Florida player in his junior season with 14. Altogether, Smith finished the UK game with 53 school-records.

The Gators jumped out to an early 10-0 lead in the first 10:08 on a one-yard scoring run by Smith and a 37-yard field goal by John David Francis. Following an 11-yard TD run by UK's Alfred Rawls, Florida scored 14 second quarter points (a Douglas five-yard run and Smith's three-yard tally) and built a 24-7 halftime advantage. Rawls' TD ended 10th of scoreless football played by the Gators defense in first quarter action dating back to week three.

Kentucky took the opening kickoff of the second half and marched 77 yards on 11 plays, capped off by Rawls' second TD run of the day, a 23-yard burst through the middle that narrowed UF's lead to 24-14. On the ensuing kickoff, Terry Lomack raced 99 yards for a touchdown, the second-longest in Florida history. Only a 100-yard KO return by Pat Henne vs. Miami in 1940 will surpass Lomack in the record book.

A six-yard TD run by Douglas late in the fourth quarter appeared to shut the door on the Wildcats, but UK closed with a flurry, scoring 14 points in 2:26 to cut the margin to 38-28.

Florida punter Hank Rone had his finest day as a Gator, averaging 48.0 yards per kick on four punts, including a 65-yard kick in the third quarter that tied the seventh-longest kick in Gator history and the longest in seven years.

Florida held its 10th straight opponent in 1989 to less than 200 yards rushing (131), its ninth opponent in 10 games to less than 200 yards passing (144) and its ninth opponent in 10 games to less than 300 yards total offense (273). The 131 rushing yards by the Wildcats were the most gained by any SEC foe vs. the Gators in 1989.

GAINESVILLE, FL — Florida State quarterback Peter Tom Willis threw for 319 yards and three touchdowns to lead the sixth-ranked Seminoles to a 24-17 victory over the University of Florida before 75,324, the second-largest crowd in Florida Field history, and an ESPN national cable television audience.

Willis threw a 62-yard touchdown pass in the first quarter, a 22-yard scoring pass in the third quarter and a 10-yard pass late in the fourth. Willis connected with eight different

receivers for 20 total completions, including six to leading target Dexter Carter. Carter also led the Seminoles with 97 rushing yards.

The game, the first night encounter at Florida Field since 1983, featured a penalty-filled first half in which the two teams combined for 17 penalties for 202 yards. For the entire game, officials marked off 24 penalties for 258 yards, easily the most penalties and yards in a Gator game in 1989.

Florida running back Emmitt Smith rushed for 153 yards on 30 carries and tallied his 14th rushing touchdown of the season, tying a UF record. Smith's 153-yard night was a record ninth 100-yard rushing game on the year and closed out his outstanding season with 1,599 yards — sixth-most in Southeastern Conference single-season history and tops in Gator history.

Florida's defense was credited with nine tackles for loss and three quarterback sacks, including OLB Huey Richardson's half-sack that helped him set a UF single-season record for QB sacks with 12.3. Richardson led the Gators with nine tackles (two for loss and a half sack), while DT Phillip Johnson made eight hits in just his second start of the season.

The Seminoles began the scoring with a 63-yard TD pass from Willis to Terry Anthony late in the first quarter. It was the longest scoring pass of the regular season allowed by the UF defense. Florida placekicker John David Francis put the Gators on the board with 20 seconds remaining in the first, on a 46-yard field goal, the longest of the year by a UF kicker.

Florida took its first and only lead of the game with 8:21 to play in the first half on an end-around run by WR Stacey Simmons from three yards out. The lead lasted 5:31 before FSU's Richie Andrews connected on a 24-yard FG to knot the game at 10.

Florida State regained the lead 17:40 seven minutes into the second half on a 22-yard scoring strike from Willis to Bruce LaSane and upped its advantage to 24-10 midway through the fourth quarter on Willis' third TD pass, a 10-yarder to Dave Roberts.

Florida narrowed the margin to 24-17 with 4:08 left in the game as Smith rushed for a two-yard score. The Gators had driven 67 yards on 11 plays behind QB Lex Smith, who had come off the bench at the start of the fourth quarter. Smith finished the quarter completing five of 10 passes for 75 yards.

Florida rushed 46 times for 209 net yards, the eighth time in 11 games that the Gators ran for more than 200 yards. The Gators defense held FSU to 76 yards rushing, the fifth time in 1989 that the Gators held their opponent to less than 80 yards rushing.

FREEDOM BOWL

 December 30, 1989
 Anaheim, CA

ANAHEIM, CA — The University of Washington amassed 431 total yards and 28 first downs en route to a 34-7 Freedom Bowl victory over the Gators. The Florida defense allowed season highs in points allowed, first downs (28), total yards (431), rushing yards (191) and total plays (89). It was the first time in 1989 that the Gators highly-rated defense had yielded more than 200 yards on the ground and more than 400 total yards. The Huskies' 28 first downs tied the all-time record vs. the Gators originally set by Kentucky in 1950.

Washington had the ball more than two-thirds of the game, maintaining time of possession for 41:52 compared to 18:08 for the Gators. The Huskies ran 69 plays, while the Gators ran 53.

Florida's junior running back Emmitt Smith carried the ball only seven times for 17 yards, the lowest figure in his 31 collegiate starting assignments and the fewest yards gained since he rushed for 16 yards in his collegiate debut vs. Miami in 1987. The game marked only the second time in his 34 games played at UF and the first since the '87 game vs. the Hurricanes, that Smith failed to lead the team in rushing yardage.

For Florida in 1989, the game marked the fewest points (tied the Auburn game), fewest first downs (10), fewest rushing yards (83), fewest rushing attempts (25), fewest total plays (53) and most fumbles (seven with three lost).

Washington began the scoring with a six-play, 49-yard drive off the opening kickoff that culminated in a 25-yard TD pass from Cary Conklin to Mario Bailey. The Gators earned a first down on their first play from scrimmage and then scored their only points of the afternoon the next play. After QB Donald Douglas hit Ernie Mills for 11 yards on play one, Douglas ran 67 yards down the left sideline for a TD and a 7-7 tie. It would be the Gators' last first down until the second to last play of the first half. The Gators were held without a first down for 21 plays and 26:51.

Washington scored the next 27 points of the game, including taking a 27-7 lead at intermission — the most points allowed by UF in a half in 1989. Conklin completed 21 of

39 passes for 217 yards and two scores and running back Greg Lewis rushed for 97 yards and caught six passes for an additional 44 yards.

Conklin was voted the Huskies' Most Valuable Player, while UF junior outside linebacker Huey Richardson received Gator MVP honors. Richardson made nine solo tackles (two for loss), broke up three passes and had a six-yard sack.

Florida, a charter member of the prestigious Southeastern Conference, started football in 1906 against Rollins on a baseball field located immediately north of the current Florida Field. That area is now called Fleming Field, used during the week for soccer and intramurals and on football weekends for parking.

The Gators won, 6-0, and went on the following year to record a 4-0-1 mark behind the running of a halfback named Willie Shands, who eventually became an important senator for whom the Shands Hospital and Clinics at UF are named.

The finest of the early teams at Florida were under the tutelage of U.S. Army Major James A. Van Fleet, head coach and senior officer of the school's ROTC program. The Van Fleet teams in 1923-24 attracted national attention to the Gator football program for the first time.

In 1923 Florida tied Georgia Tech, the ruler of Southern football, 7-7, in Atlanta. The Jackets came from behind late in the game to earn the deadlock.

In the final game of that season Florida recorded one of the most shocking upsets of the year, beating Alabama and Wallace Wade in Tuscaloosa, 16-6, as All-Southern back Edgar Jones scored every point for the Gators.

Florida was 6-1-2 that season and 6-2-2 in 1924, recording 7-7 ties against both Georgia

HISTORICAL REVIEW

Florida has appeared in 18 bowl games, seen over 100 of its players earn All-America recognition, including 34 who earned first-team All-America honors, had a player receive the Heisman Trophy, and seen 21 of its players selected in the first-round of the NFL Draft.

Tech and Texas, two of the national football powers, and losing to Army, 14-7, at West Point.

Florida's 1928 team led the nation in scoring on the way to an 8-1 record, losing its final game, 13-12, on a wet field in Knoxville, Tenn. to Tennessee.

The 1930's produced great individual talent at Florida. Walter (Tiger) Mayberry

was an All-SEC halfback who was later to lose his life in World War II as an often-decorated Marine pilot. Tommy Harrison was a record-setting passer in the late '30's and went on to become a president of Blair Radio and TV, a nationwide firm. His favorite target was end Forrest (Fergie) Ferguson, an all-star athlete who died years later as the result of wounds suffered in the invasion of Normandy during World War II.

Bob Woodruff brought the Gators to solid football status as the head coach of the 1950's. He produced the first bowl team in 1952, All-America linemen like Charlie LaPradd, John Barrow and Vel Heckman and a reputation for hard-nosed defense.

Ray Graves came out of the decade of the 1960's as the winningest Florida coach of record. He was 70-31-4 with five bowl teams, four of which won. His only losing bowl team lost by two points to Missouri in the 1966 Sugar Bowl, 20-18.

That decade also produced Heisman Trophy winner Steve Spurrier, a record-setting passer, as was quarterback John Reaves in 1969, who smashed five national marks and still holds many passing records for the Gators.

The teams of Doug Dickey from 1970-78 went to four bowls. His 1973 team was the second Gator edition ever to defeat Auburn at Auburn and went on that year to beat Georgia, FSU and Miami in the same month, a rare feat for Florida.

The 1984 Gator squad posted an overall 9-1-1 record and was ranked third in the final AP ranking. The *Sporting News* and the *New York Times* declared the squad national champions. Florida's 5-0-1 mark in SEC play marked the first time in school history that a Gator squad finished with the best record in SEC play.

The 1985 UF squad posted a 9-1-1 record and was ranked fifth in the final AP poll. Its 5-1-0 mark in SEC play tied for first in the league standings. After its 14-10 win at Auburn, it became the first squad in school history to be ranked number one in the nation in a wire service poll.

Dickey's top players included All-Americans Jack Youngblood, defensive end; Wes Chandler, wide receiver; Sammy Green and Ralph Ortega, linebackers, and SEC rushing king Jimmy DuBose.

Charley Pell's rebuilding job began in 1979 and his last four Florida teams went to bowls, averaging eight wins a season against one of the nation's most demanding schedules. Pell's 1983 team secured the school's then highest final ranking ever with a No. 6 finish. Wilber Marshall, a linebacker, was named "National Defensive Player of the Year."

The top players of the Pell era (1979-84) were WR Cris Collinsworth, LB David Little, DT David Galloway, LB Wilber Marshall, and OT Lomas Brown. All were first-team All-American selections.

Galen Hall was named interim coach after the first three games of the 1984 season. He proceeded to win the next seven games, and when the squad defeated Kentucky, 25-17, to clinch the school's first-ever first place

finish in the SEC standing, he was named the new head coach in the lockerroom after the game in Lexington. The squad closed out the banner year with a 27-17 win at Florida State to cap a 9-1-1 season. In the final regular season wire rankings, Florida was ranked third in the nation, the best regular season ranking in school history. The '84 squad was named the national champion by the *N.Y. Times* and the *Sporting News*.

Hall led Florida to another banner season in 1985. The Gators opened the season with an eight game unbeaten streak to stretch UF's two-season unbeaten mark to 18 consecutive games. When Florida defeated Auburn, 14-10, in the eighth week of the season, UF was ranked first in the weekly Associated Press rankings, the first time in school history that the Gators held that lofty status. Florida finished with a second straight 9-1-1 season. The Gators were ranked 5th in the final AP ranking.

The period of 1983-85 ranks as the most

successful in school history. During that time frame, Florida was the only school in the nation to finish in the top six in the final AP ranking in each of those respective seasons. Florida's 27-4-3 record during that time frame represented the second best winning percentage (83.8%) in the nation.

The decade of the 1980's ended with three successive bowl appearances (1987 Aloha, 1988 All American, 1989 Freedom). Overall, UF went to seven bowl games in the 1980's making it the most successful in that regard in school history. In addition, the Gators posted 76 wins during the 1980's, the most successful decade in school history.

Gary Darnell replaced Hall as interim head coach six games into the 1989 season. Hall completed his career with a 41-18-1 record. The top players of his reign were first-team All-America selections OT Lomas Brown, OLB Alonzo Johnson, OG Jeff Zimmerman, OLB Clifford Charlton, DB Louis

Oliver, DB Jarvis Williams, DT Trace Armstrong, and RB Emmitt Smith. In addition, QB Kerwin Bell, FB John L. Williams, and RB Neal Anderson ranked among UF's all-time greats.

On the eve of the new decade of the 1990's (Dec. 31, 1989), Steve Spurrier, a man who had provided the University of Florida with so many fond memories as a player, was

hired as the school's head coach.

Since it began playing football in 1906, the Gators have had 34 first team All-Americans, a Heisman Trophy winner in Steve Spurrier (Florida is just one of 32 schools in the nation that can claim a Heisman recipient), 18 bowl teams, and numerous other regional and conference honors. All told, over 100 different players have earned some type of All-

America honor. Twenty-one Gator players have been selected in the first-round of the NFL Draft. During the last eight NFL drafts alone (1983-90), twelve Gators have been first-round selections, a total that no other school in the nation can better. Those achievements have all provided the base for a proud football tradition at Florida.

"The Birth of a Nickname"

*Reprinted from Florida Times-Union
August 2, 1948*

A Jacksonville lawyer 'christened' the University of Florida's football team 41 years ago when he gave a pennant-designing firm in Charlottesville, Va., the suggestion of 'The Alligators.'

Austin Miller, who has practiced law here since shortly after his graduation from the University of Virginia in 1910, yesterday recalled the circumstances surrounding the choice of a name for Florida University's athletic teams. It happened in the fall of 1907, a year after the University of Gainesville had fielded its first team.

"Miller, a native of Gainesville, was enrolled in the University of Virginia at the time and was visited by his father, Phillip Miller, a Gainesville merchant. The elder Miller, who died nine years ago, then owned and operated a combination drug store and stationery store in Gainesville, a popular rendezvous for university students.

"While in Charlottesville the father decided to order some pennants and banners for the University of Florida from the Michie Company, which was engaged in the manufacture of such items. The Millers went to the firm, where they were shown samples of pennants which featured the Yale bulldog, the Princeton tiger and other school emblems. When the manager asked for Florida's emblem, the Millers realized the new school had none.

"Austin Miller said the name 'Alligators' occurred to him as a suitable emblem, both because the Michie manager said no other school had adopted it and because the alligator was native to this state. 'I had no idea it would stick, or even be popular with the student body,' Miller said. 'We wanted to get the Michie firm started on the pennants as quickly as possible, though, so they would be available in time for the opening of the 1908 school term.'

"The Michie manager complicated the christening when he told young Miller he'd never seen an alligator and didn't believe he could design one. The law student volunteered to find a suitable picture of a 'gator. After much search, he said, he located a picture of one in the library of the University of Virginia.

"The first appearance of the alligator emblem, Miller recalled was in his

father's Gainesville store in 1906. The Michie firm had supplied Millers' with the blue banner measuring six by three feet, showing a large orange alligator, and also with several different types of smaller banners and pennants. Some of them showed the alligator lying down, some rampant, while others included only the alligator's head."

OVERCOMING THE ODDS

UF Walk-on Program Provides an Opportunity to Compete and a Chance to Fulfill a Dream

For years the University of Florida football program has encouraged and fostered a walk-on program that gives many young men every year the opportunity to live their dream of playing major college football.

No barriers are placed in the way of a student who is academically eligible, passes the physical examination, and is willing to abide by the same rules and regulations pertaining to scholarship players. There are no squad cuts to thin the ranks. The walk-ons are treated in the same first-class manner with total respect as the rest of the squad. For example, when Florida traveled to Hawaii for the Aloha Bowl in December 1987 there were 33 walk-ons who made the trip. When it traveled to the 1989 Freedom Bowl in Los Angeles, 24 former or current walk-ons made the trip.

Many former walk-ons have eventually scholarships, earned starting positions, gained All-SEC and All-America honors, and even eventually played pro football. None of those players would have lived their dream and reached their potential if the University of Florida hadn't extended the opportunity they were seeking. Their eventual success has become a cherished part of the Gator football tradition and heritage.

Right: QB Kerwin Bell was told by major college coaches that he didn't have the skills to compete at that level. He felt they were wrong and wanted a chance to prove it. He decided to walk-on at Florida. A year later in 1984 as a non-scholarship player he became a starter and was named "SEC Player of the Year". By the time he completed his career in 1987 he was the SEC's all-time leading passer with over 7,500 yards. He is one of nine former UF walk-ons who have gone on to play pro football.

The Gator walk-on program has indeed proved successful and beneficial to both the individual student-athletes and to the University of Florida football program. That is soundly demonstrated by the following facts.

- Nine former Gator walk-ons have gone on to play pro football: DB Hagood Clarke, DB Allen Trammell, DB Bruce Vaughan, LB James Harrell, WR Lee McGriff, PK John James, PK David Posey, QB Kerwin Bell, DB Louis Oliver.
- Former walk-on Louis Oliver was selected in the first round of the 1989 NFL Draft by Miami.
- Former walk-on John James went on to earn All-Pro honors as a punter in the NFL.
- Former walk-on Kerwin Bell earned "SEC Player of the Year" honors in 1984 and completed his career in 1987 as the greatest statistical passer in SEC history.
- Former walk-on DB Louis Oliver earned first-team All-America honors in 1987 and 1988.
- When Bobby Raymond completed his career in 1984 the former walk-on's name appeared in the NCAA place-kicking records in five separate categories.
- Walk-on WR Gary Rolle was named Academic All-America and winner of the National Football Foundation Scholar-Athlete Award in 1984.
- Seventeen Gator walk-ons have earned Academic All-SEC honors.
- Former walk-on Kerwin Bell became a prominent Heisman Trophy candidate in 1987.
- Former walk-on Louis Oliver was one of three finalists for the Thorpe Defensive Back of the Year Award in 1988.
- The 1985 Gator team that finished 9-1-1 and fifth in the final national rankings had 18 prominent players that originally joined the program as walk-ons.
- Six former walk-ons were in the starting lineup when UF opened the 1986 season. At least another eight former walk-ons were top backups.
- Twenty current or former walk-ons were starters or top backups when UF opened the 1987 season.
- Five former Gator walk-ons — WR Lee McGriff, DE Preston Kendrick, PK David Posey, QB Kerwin Bell, and DB Louis Oliver — have gone on to earn first-team All-SEC honors.

The above facts clearly point out that the Florida walk-on program has become an integral and valued aspect of the Gator football team. It has provided the opportunity for countless young men to show that the evaluation and recruiting processes make mistakes. It has provided many opportunities for young men to live their dreams of playing major college football. It has provided countless opportunities to dozens of young men who were told that they were too small or too slow to play major college football. It has provided countless opportunities for these young men to mature physically while improving their football skills so that one day they could indeed play major college football and fulfill their dreams.

DB Louis Oliver had scholarship offers at some small colleges, but he had a dream of playing major college football. He came to Florida as a walk-on in 1984, earned a scholarship in 1985, became a starter in 1986, and then was named a first-team All-America in 1987 and 1988. He was one of three finalists for the Thorpe Defensive Back of the Year Award in 1988 and was a first-round selection in the 1989 NFL Draft.

ILB Pat Moorer had several scholarship offers, but he had a dream of playing in the SEC. He joined the UF program as a walk-on in August of 1986. Three months later he had earned a starting position, the first true freshman to start a game for the Gator defense since 1981. He was awarded a scholarship in January of 1987. He led the nationally ranked Gator defense in tackles in 1988 and 1989.

► Florida Notes on the First Round of the NFL Draft

► Florida has had at least one player selected in the first-round of the NFL Draft in each of the last eight years (1983-89), the only school in the nation to achieve that distinction over that period of time.

► Florida's current streak of eight consecutive years in which it has had at least one player selected in first-round of the draft is the longest consecutive streak for any school in the nation since the NFL merger in the mid 1960's.

► Florida has had 12 of its players selected in the first-round of the NFL Draft since 1983, the top total in the nation for a school over the course of the last eight drafts.

► Florida has also led the nation with the most first-round selections in the last seven years (11), the most over the last six drafts (10), and the most over the course of the past two years (4). Florida and Miami are tied with the most first-round draft selections over the last five years (8), and the last three drafts with five total first-round picks.

► Florida was the only school in the nation to have three players selected in the first-round of the 1989 draft.

► Florida (1989), Pitt (1983), Southern Cal (1983), Wisconsin (1985), Iowa (1986), and Miami (1987) were the only schools to have had three players selected in the first-round of a draft during the decade of the 1980's.

► When Neal Anderson (Chicago) and John L. Williams (Seattle) were selected in the opening round of the 1986 NFL Draft, it represented the only time during the decade of the 1980's, and the first time since 1970, that two runningbacks from the same collegiate team were both selected in the first-round of the draft.

► When Emmitt Smith was selected in the first-round of the 1990 draft by Dallas, it brought to 21 the number of Gator players selected in the opening round of the NFL Draft. Here is a breakdown of those selections by position: Runningbacks (8), Quarterbacks (2), Wide Receivers (2), Offensive Linemen (2), Defensive Linemen (2), Linebackers (3), Defensive Backs (2).

When Emmitt Smith was selected in the first round of the 1990 NFL Draft by Dallas, it marked the eighth consecutive year that at least one UF player was chosen in the first-round, the first time since the NFL merger in the mid 1960's that any school has had at least one first-round selection for eight successive years. Smith's selection marked the 12th UF player to be chosen in the first round since 1983, the most for any school in the nation over the past eight years.

BOWL GAMES

Florida's first bowl trip came after the 1952 season as the Gators headed to the Gator Bowl in Jacksonville to face Tulsa on January 1, 1953.

Powered by the running of Rick Casares and J. (Papa) Hall the Gators edged the Golden Hurricanes, 14-13, as Tulsa senior Tom Minor missed the first PAT attempt of his career. Gator All-America tackle Charlie LaPradd was the game's defensive hero.

Quarterback Jimmy Dunn and All-SEC end Dave Hudson led Florida back to the Gator Bowl in 1958 where they lost to Mississippi, 7-3. Ray Graves' first Florida team returned to the Jacksonville classic after the 1960 season and knocked off Baylor, 13-12, behind the running of Don Goodman and quarterback Larry Libertore.

One of the biggest upsets in Gator Bowl history took place in 1962 when heavily-favored Penn State was soundly beaten by the Gators, 17-7, led by quarterback Tom Shannon and a stout defense.

In 1966 Florida fell behind Missouri, 20-0, in the Sugar Bowl and rallied for 18 points in the final quarter behind quarterback Steve Spurrier. Each Gator touchdown was followed by a two-point conversion attempt and all of them failed.

Spurrier became the first player from the losing team to be named the game's most outstanding player in the history of the Sugar Bowl. He broke six bowl records in the contest.

The Gators got back on the winning track the following year in the Orange Bowl, beating Georgia Tech, 27-12, behind Heisman Trophy winner Spurrier. It was Bobby Dodd's final game as Tech's head coach and Florida made it an unhappy night for him. Larry Smith set a bowl record for running 94 yards for a touchdown for the Gators, almost losing his pants on the way.

In Ray Graves' final game as Florida's coach he watched his young team beat SEC champion Tennessee, 14-13, in the 1969 Gator Bowl. Florida's defense was superb with a blocked punt by Steve Tannen resulting in one TD and an interception setting up the other.

In 1973, the Tangerine Bowl was played in Gainesville due to construction at the Orlando stadium site. It was 27 degrees when the game started and Miami of Ohio loved every minute of it en route to a 16-7 upset. Florida nearly pulled a major upset next season, leading Nebraska 10-0 and scoring an apparent TD on a 26-yard run by Tony Green, only to have it ruled out-of-bounds. The Huskers came back in the Sugar Bowl to win 13-10. Florida's stars were All-America linebackers Ralph Ortega and Glenn Cameron, defensive end Preston Kendrick, the game's most outstanding defensive

player, and running back Green.

The Gators returned to the Gator Bowl in 1975 and were soundly beaten in the rain by Maryland, 13-0. In 1977 powerful Texas A&M routed Florida, 37-14, in the Sun Bowl.

Charley Pell's first bowl team at Florida came in 1980 and the Gators played outstanding football in the Tangerine Bowl to whip Maryland, 35-20, behind All-America wide receiver Cris Collinsworth, the game's most valuable player. All-America David Galloway was the most outstanding defensive player of the contest.

In the cold of Atlanta, Ga. in the 1981 Peach Bowl the favored Gators were stunned by West Virginia, 26-6.

On New Year's Eve of 1982, the Gators took a 17-7 halftime lead against Arkansas in the Bluebonnet Bowl before losing 28-24. Wide receiver Dwayne Dixon was named Florida's MVP while catching three TD passes.

The 1983 squad, making its fourth consecutive bowl appearance under Pell, defeated Iowa 14-6. The win earned the Gators a No. 6 final ranking (then the best finish in UF history).

The 1984 and 1985 teams, unquestionably the finest in school history after posting 9-1-1 seasons, were unable to participate in bowl games due to NCAA sanctions.

Florida reentered the bowl scene on

Christmas Day 1987 as they faced UCLA in the Aloha Bowl in Honolulu, Hawaii. The Gators, a big underdog, suffered a tough 20-16 setback in a game that literally went down to the final play when a Kerwin Bell pass fell incomplete in the endzone. Emmitt Smith, named Florida's MVP in the bowl, completed his banner freshman season with 128 rushing yards on just 17 carries (7.5 ypc) against a UCLA squad that ranked fourth in the nation in defense against the rush in 1987.

Galen Hall captured his first bowl victory as a head coach in the 1988 All American Bowl. Sophomore Emmitt Smith, the game's MVP, scored late in the fourth quarter to give Florida a 14-10 win over Illinois. Smith rushed for 159 yards on the night, the second top rushing total in a bowl game in UF history. OLB Huey Richardson led a fierce Gator defense that held the Illini to just 55 rushing yards and harassed QB Jeff George all night.

The Gators completed the decade of the 1980's with a 34-7 loss to Washington in the Freedom Bowl at Anaheim, Calif. The Freedom Bowl appearance marked the seventh bowl appearance for Florida during the decade of the 1980's, making it the most successful decade for post-season play in school history.

Florida, along with Ohio State and Minnesota, offers more academic programs on a single campus than any of the nation's other universities — public or private.

Standing mid-campus, the University of Florida's Century Tower is a visible testament to the strength and enduring value of the institution. Built in 1953 as a memorial to University of Florida alumni who died in war, the tower received its "century" title, since it was built 100 years after the founding of one of the university's parent institutions.

UF traces its beginnings to the takeover of the private Kingsbury Academy in Ocala by the state-funded East Florida Seminary in 1853. Later, the Seminary was consolidated with the state land-grant agricultural college, then in Lake City, to become the University of Florida. UF was established in Gainesville in 1906, with an initial enrollment of 102. Until 1947, the University of Florida was for men only and was one of only three state colleges.

A land-grant university with a distinguished record of developing Florida agriculture into a national leader through research and extension services, the University of Florida has become one of America's truly distinctive universities. Now expanded into virtually every

academic discipline, the University of Florida, along with Ohio State and the University of Minnesota, offers more academic programs on a single campus than any of the nation's other universities — public or private. One hundred and fourteen majors are offered in 52 undergraduate degree programs. The graduate school coordinates 123 masters

and 76 doctoral programs in 86 of the university's 137 academic departments. Professional post-baccalaureate degrees are offered in law, dentistry, medicine and veterinary medicine.

In 1985, the University of Florida was admitted to the Association of American Universities (AAU), the most prestigious higher education organization in the nation. Comprised of the top 58 public and private universities in North America preeminent in graduate and professional teaching and research, the AAU invites only the best in higher education into its membership. UF now joins its sister institutions in the South — Duke, North Carolina, Rice, Texas, Tulane, Virginia and Vanderbilt — as the outstanding universities in the region. The University of Florida is also ranked among the nation's 51 leading research universities as categorized by the Carnegie Commission on Higher Education.

Of that group of southern educational elite, only Florida has appeared in a bowl game in each of the last three seasons. In fact, of the 58 schools nationwide in the prestigious AAU, Florida is one of just eight schools that have appeared in a bowl game in each of the last three years.

opportunities to its students. A student planning to continue in graduate or professional schools can study in libraries and laboratories equipped to prepare students for entrance into almost every known advanced degree program. Students can begin their research as early as they desire, even as freshmen, while studying alongside graduate and professional students. The University of Florida ranks among the nation's top 25 universities in the number of bachelor degree graduates who go on to earn advanced degrees.

University of Florida students, numbering more than 35,000, come from every county in the state, from every state in the union, and from more than 100 foreign countries. The quality of the student body at the University of Florida continues to grow each year. The 1989 freshman class had an average grade point average of 3.5 and an average SAT score of 1156 — more than 200 points above the national average. Ninety percent of entering freshmen are above the national mean of scores on standard entrance exams taken by college-bound students. UF ranks 5th in the nation among public universities in the number of entering National Merit and Achievement Scholars in attendance.

Approximately one-third of the university's students are freshmen and sophomores and 40% are juniors and seniors. Approximately 15% of the student body are graduate students, numbering more than 5,300, and 2,100 are in professional programs. More than 2,000 black students and more than 1,800 Hispanic students attend the University of Florida.

A distinguished faculty numbering 3,900 has been assembled from major universities from throughout the world to provide instruction and counseling to University of Florida students. Last year more than 1,800 UF faculty members were grant awardees and 70% of the faculty's grant proposals were successful, with more than \$161 million in research and training grants acquired. Twenty-two faculty members have been selected to the National Academies of Science and/or Engineering, the Institute of Medicine or a counterpart in a foreign nation.

A very small sampling of honored faculty members includes: Pulitzer Prize

winners, the co-inventor of the jet engine, pioneer in and writer of the leading textbook on Econometrics, winner of the National Science Teacher Association's top award for leadership, three winners of NASA's top award for research, one of the four charter members of the Solar Hall of Fame, winner of the Smithsonian Institution's award for conservation, first winner of the Audubon Society's Hal Bourland award, winner of the American Chemical Society's Polymer Scientist of the Year award, an art faculty with 80% of its members in Who's Who in American Art, winner of the Academy of Pharmaceutical Sciences Achievement Award for advancement of industrial pharmacy, the inventor of Gatorade, winner of the first Kyoto Prize, and inventor of Bioglas. Plus, of the 1,000 most quoted scientists in the world, five are on the University of Florida faculty.

In summary, the University of Florida — the state's largest and oldest — is a residential campus, with rich resources available because of its size, but providing a learning and living environment for the whole person. It is an institution that puts the interest of the individual student above all.

PRESIDENT LOMBARDI

Historian, teacher, administrator, and author, Dr. John Lombardi became the ninth president of the University of Florida in March of 1990.

Born in Los Angeles in 1942, Lombardi comes from an education family. His mother worked as a college librarian and his father, a pioneer in the California community college movement, was president of Los Angeles City College. Lombardi earned his bachelor's degree from Pomona College and his master's and doctoral degrees from Columbia University. He also attended Universidad Nacional Autonoma de Mexico and the University of California at Los Angeles.

Lombardi came to the University of Florida from Johns Hopkins University, where he was provost and vice-president for academic affairs since 1987. From 1967 until 1987, he pursued an academic career at Indiana University, at the Southeast campus for a year and then in the history department of the Bloomington campus, where he became a professor in 1977. Lombardi held various administrative posts at Indiana University, including director of Latin American Studies, dean of International Programs, and dean of Arts and Sciences. He also served as a member of the board for Indiana University of the Mid-West Universities Consortium for International Activities (MUCIA), as the director of Foreign Area Fellowship Program cooperative project in Venezuela. Lombardi also taught at the Universidad Central de Venezuela.

A long-term interest in international education involved him in committees and task forces related to international studies for the American Association of Universities and the National Association of State Universities and Land Grant Colleges. A past president of the Conference on Latin American History of the American Historical Association, Lombardi serves on the advisory board of the National Foreign Language Center. The Venezuelan Academia Nacional de la Historia elected him a corresponding member for the United States, and he serves as a member of the Pan American Institute of Geography and History. His international studies interest also led to a chairmanship of an evaluation team on international and interdisciplinary programs for the Board of Regents of the Florida State Board of Regents.

Dr. John Lombardi, President

Elected a senior associate member of St. Antony's College, Oxford, Lombardi has received a variety of fellowships and grants, including the Fulbright-Hays research fellowship, a National Defense Foreign Language fellowship, and grants from Fundacion Simon Bolivar and Fundacion Creole in Venezuela. He has also received grants from the Social Science Research Council, the Tinker Foundation, the Conference on Latin American History, and MUCIA.

A specialist in Latin American history, Lombardi is the author of seven books focused mostly on Venezuela. His wife, Cathryn Lee Lombardi, coauthored one of his books and illustrated two others. Lombardi has contributed many scholarly articles, papers, reviews, and teaching materials to journals and conferences. In addition to history, he has taught courses in international business and participated in several executive programs as an instructor or lecturer. Considered an expert on small computers, Lombardi has served on many committees and task forces related to computer use, literacy, and product evaluation. He has reviewed software and hardware in various publications and currently serves as contributing editor for *InfoWorld*. For about two years, Lombardi's enthusiasm for automobiles persuaded him and a friend to operate Farmer's Garage, a specialty shop for older model cars.

John and Cathryn Lombardi have two children, John Lee and Mary Ann. John Lee is a student at Indiana University, and Mary Ann is a high school senior.

BILL ARNSPARGER - DIRECTOR OF ATHLETICS

A man of success, integrity, leadership and expertise, University of Florida Athletic Director Bill Arnsparger began his fourth year at the helm of the Gator athletic program in 1990.

Over his tenure, which began in January of 1987, Arnsparger has instilled a philosophy within the Gator athletic program which places a premium on a proper balance between athletics and academics, with teamwork among athletic administrators, coaches, student-athletes and the private sector playing a vital role in allowing nearly 300 student-athletes on 16 Gator teams to compete effectively in the classroom and in the athletic arena.

"We're getting back to basics and are looking forward to the decade of the 90's," says Arnsparger. "With our staff, coaches, student-athletes and the private sector binding together we are achieving a proper balance between athletics and academics, and providing a proper atmosphere that is conducive to the overall success of our student-athletes."

"In getting back to basics," continues Arnsparger, "we are helping our student-athletes earn their degrees, while competing effectively on the conference and national level. Also, with the private sector backing us, we are continuing to work toward permanently endowing all athletic scholarships, while working to improve and add new facilities that we can all be proud of."

Arnsparger has worked hard to see that the commonly used phrase "student-athlete" keeps its proper order and proper perspective at Florida. "We, the athletic association and the university, have an obligation to the student-athlete to provide him or her with the best of everything. Everything from academic guidance and personal care to the best coaching staffs and athletic facilities. We want these young people to have the support needed to best take advantage of their academic and athletic abilities."

Arnsparger's constant drive and perseverance has paid dividends in the classroom and in the athletic arena for Gator student-athletes.

Florida had 55 student-athletes nominated to Southeastern Conference Academic Honor roll status in 1989-90, the top single-year total in Gator athletic history. Florida also had 52 student-athletes honored by the SEC in 1988-89 for academic achievement. The total of 107 SEC Academic Honor Roll nominees is the best two-year total in Florida's athletic history.

Arnsparger and his staff have instituted internal policies that have resulted in increased awareness and success by Gator student-athletes concerning their commitment and dedication to academic and personal responsibilities. With guidance from Arnsparger, Gator coaches have recruited student-athletes that have been better prepared for college-level academics. In fact, the standardized test scores and grade-point averages of Gator recruits has continually improved. Arnsparger has also been a driving force behind plans to build a state-of-the-art academic support facility.

Within the athletic arena, the Gator program's overall strength and depth has been solidly demonstrated during Arnsparger's time in Gainesville.

Bill Arnsparger
Director of Athletics

Florida's combined men's and women's program has been consistently ranked among the 10 most successful in the nation during the last seven years, and among the elite of the Southeastern Conference. Florida has had the most successful combined men's and women's program in the SEC in two of the past three years.

Arnsparger's constant drive and perseverance has paid dividends in the classroom and in the athletic arena for Gator student-athletes. . . Florida had 55 student-athletes nominated to the SEC Academic Honor Roll in 1989-90, the top single-year total in Gator athletic history. . . Florida's combined men's and women's program has consistently ranked among the nation's ten most successful throughout Arnsparger's four years. Florida's program has been the most successful combined program in the SEC in two of the past three years. . . Florida saw 10 of its 16 teams in the 1989-90 year finish among the top 10 in the country in national competition. Six of those ten squads finished the year among the nation's top three.

Last year (1989-90) was another banner year, as four Florida teams won Southeastern Conference championships. The four Gator SEC titles tied for the most crowns in the 10-team league for the athletic year. Florida also ranked among the nation's best when it came to national competition in 1989-90, as 10 of 16 Gator squads finished among the top 10 in the country in national competition. In addition, six Gator teams finished their respective seasons among the nation's top three.

When Arnsparger arrived in January of 1987 the athletic program was in the midst of a commitment to upgrade and build new athletic facilities. He has continued the push in that regard, and since his arrival new baseball, track and tennis stadiums have been dedicated, as has a new golf course clubhouse. The strength and conditioning area in the south end of Ben Hill Griffin Stadium at Florida Field, already one of the nation's largest when built in 1982, was expanded by nearly 5,000 square feet in the summer of 1988.

Also, plans are progressing to enclose the north end of Florida Field, an expansion that would increase the stadium's capacity to around 82,000 and give Florida one of the eight largest on-campus football stadiums in the nation. In addition, plans are also progressing for a renovation and expansion of Yon Hall, UF's athletic dormitory, as well as a new student-life center.

Under Arnsparger, and the teamwork of his Gator athletic staff, Florida has attracted some of the best coaches in the nation when presented the opportunity. Arnsparger most recently hired Florida's "favorite son" Steve Spurrier to head-up the Gator football program and the young and energetic Lon Kruger to run the Gator basketball program.

Prior to coming to Florida, Arnsparger served as the head football coach at LSU from 1984-86. His stint in Baton Rouge, La., culminated a 36-year involvement with coaching. Arnsparger's coaching career began at his alma mater, Miami of Ohio, in 1950. He then served as an assistant at Ohio State from 1951-53, Kentucky from 1954-61, and Tulane 1961-63. He then moved to the National Football League with the Baltimore Colts in 1964. He remained with the Colts until 1970 when he joined Don Shula at Miami. In 1974 he was named head coach of the N.Y. Giants, a post he held until 1977 when he rejoined the Dolphins. In 1984 he took over the reins of the LSU football program, where he guided the Tigers to one SEC Championship, two Sugar Bowl appearances, and a Liberty Bowl berth in three years.

Arnsparger, a Paris, Ky., native, attended the University of Kentucky in the mid-40's, and after a stint in the Marine Corp, transferred to Miami of Ohio. He received his B.S. in Education and a Master's of Education in School Administration. He and his wife, Betty Jane (B.J.), have two children — David, 24, and Mary Susan, 21. While Mary Susan attends Florida International University, David, who received his Bachelor's Degree from the University of Florida, now serves as a graduate assistant football coach at Notre Dame.

THE OFFICE OF STUDENT LIFE

One of the very special qualities the University of Florida offers student-athletes is the Office of Student Life. The University fully intends to live up to its responsibility of assisting young people as they deal with the unique pressures of participating in college athletics. That commitment has paid some impressive dividends.

Since the Office of Student Life was created in 1979, the first office in the nation devoted entirely to helping solve the special needs and requirements of the student-athlete, Florida has had impressive success:

► Since 1980, Florida has had more all sport Academic All-Southeastern Conference Honor Roll selections (332) than any other school in the conference.

► Florida had 55 student-athletes nominated to SEC Academic Honor Roll status in 1989-90, the top single-year total in Gator athletic history. Florida also had 52 student-athletes honored by the SEC in 1988-89 for academic achievement. The total of 107 SEC Academic Honor Roll nominees is the best two-year total in Florida's athletic history.

► From 1982-86 eight Florida student-athletes were honored with NCAA Post Graduate Scholarship Awards, the third highest total for a university in the nation during that time period.

► Florida was also honored on the national level with Cris Collinsworth in 1980 and Gary Rolle in 1984 being chosen to the Academic All-America team, while Rolle was just one of 11 players in the nation selected for the prestigious National Football Foundation Scholar-Athlete Award in 1984.

"As Assistant Athletic Director for Student Life my principal task is to provide effective and efficient support for our student-athletes to develop into well-rounded and well-educated young men and women," says Larry Fitzmorris. "We not only focus on academics, but on those other important aspects, such as self-confidence both in and out of the classroom, the meaning of responsibility and the development of interpersonal

skills. Ultimately, everything we do assists the student-athlete to achieve academic and athletic excellence, and graduate from the University of Florida fully prepared to pursue a successful and rewarding career."

Achieving this type of success begins early. From aiding the transition from high school to college as a freshman, to choosing a major as a sophomore, through the career advisement period as a junior, until actual career job placement as a

senior, the Office of Student Life is dedicated to the personal growth and academic development of the student-athlete.

"When an athlete steps into our office we're not here to talk just about athletics," says counselor Tim Williams. "We're here to talk about academics or any personal problem that might be distracting. And that's a healthy situation. Basically, our program is helping a lot of young people, and that's the bottom line."

WR Bret Wiechmann was a recipient of an NCAA Post Graduate Scholarship Award in 1986. From 1982-1986, UF had eight student-athletes honored with this award, a total that ranked as the third highest in the nation for a Div. IA school during that time frame.

► Goodwill Gators

University of Florida student-athletes in general, and Gator football players in particular, continued their caring ways last year by participating in many goodwill endeavors. The following is a closer look at the Goodwill Gators' efforts.

Collection for the Chuckie Mullins Fund

Gator football players collected donations to aid Chuckie Mullins, the Ole Miss football player who was paralyzed in the Rebels' Oct. 28, 1989 game versus Vanderbilt, during Florida's basketball game with Illinois Dec. 5. During the game, over 50 UF players joined together to collect \$6,944 in contributions. In addition, \$1,085 in contributions were accepted bringing the total contributions to more than \$8,000.

Donations to Hurricane Hugo Relief Funds

One hundred sixty-six University of Florida athletes skipped a roast beef dinner Thursday, Sept. 18, 1989 and donated the cost of the meals to relief funds to aid Hurricane Hugo victims in South Carolina. Five dollars for each dinner (a total of \$830) was sent to Charleston, S.C., in relief funds via the Gainesville chapters of the American Red Cross and Salvation Army.

Volunteer Work At St. Francis House

Gator student-athletes took time out of their busy schedules to prepare meals for Gainesville's homeless in conjunction with the St. Francis House. Gator athletes plan to make this a regular ritual.

County Crime Prevention Program

University of Florida student-athletes talked to Gainesville's youth and handed out brochures in conjunction with Alachua County's Crime Prevention Week.

Participation in Drug Free America Program

Florida student-athletes have made regular visits to local schools to talk about the dangers of drugs. This was part of a nation-wide campaign organized by the National Federation of Parents for Drug-Free Youth.

School & Hospital Visits

Gator student-athletes and UF football players regularly visit local schools and hospitals to talk with and meet the youth of Gainesville. Topics of conversation range from: do well in school, to anti-drug talks, to "hang in there".

Weekly Tutor Sessions

On a weekly basis, Gator student-athletes tutored elementary students at the Fort Clark Middle School and J.J. Finley Elementary school in a wide variety of subjects.

Child Toy Program

Gator football players have assisted with a Gator Toys program to give kids in the local area toys during the holidays.

Team Sponsorships

Gator student-athletes sponsored two basketball teams at Gainesville's Southeast and Northwest Boys Clubs. UF football players raised the sponsor money by holding a dance.

Alachua County Library's Night of a Thousand Stars

UF student-athletes served as guest readers for this event which is held in various counties nationwide to promote literacy. "They are such powerful role models," wrote Alachua County librarians Linda Luke and Karen Kociemba in a letter of thanks to the Gator participants. "...Just seeing a book in their hands encourages children to read."

Left-Right: RB Neal Anderson, WR Ricky Nattiel, DB Louis Oliver, and DT Trace Armstrong are all recent first-round selections in the NFL Draft who received their degrees from the University of Florida before embarking on their NFL careers.

FLORIDA'S ATHLETIC PROGRAM ALL-AROUND EXCELLENCE

The University of Florida, a charter member of the prestigious Southeastern Conference, has developed a reputation for across-the-board excellence and success in its overall athletic program. The facts tell the story:

► 1989-90

► Ten of 16 Florida athletic teams ranked among the nation's ten best in 1989-90, while six Gator squads finished among the country's top three:

- Women's Tennis (2nd in the nation)
- Men's Golf (2nd in the nation)
- Men's Indoor Track & Field (2nd in the nation)
- Women's Swimming (3rd in the nation)
- Women's Indoor Track & Field (3rd in the nation)
- Women's Golf (3rd in the nation)
- Men's Outdoor Track & Field (4th in the nation)
- Men's Swimming (5th in the nation)

- Women's Outdoor Track & Field (8th in the nation)
- Women's Gymnastics (10th in the nation)

► Florida had 55 student-athletes nominated to the Southeastern Conference Academic Honor Roll in 1989-90, the top single-year total in school history.

► Over the course of the year Gator student-athletes accumulated 136 All-America honors. During the 1989-90 year Gator athletes won 11 individual national titles.

► Florida won four Southeastern Conference championships in 1989-90 (women's swimming, men's swimming, women's tennis, women's indoor track & field). The four Gator SEC titles tied Tennessee for the most crowns in the 10-team league for the athletic year.

► When final national research for the 1989-90 athletic year is completed by *USA Today* this summer, Florida is expected to be ranked among the nation's ten most successful athletic programs for the seventh straight year.

Lady Gator tennis player Nicole Arendt was a member of Florida's 1990 Southeastern Championship squad. Arendt also advanced to the NCAA Women's Tennis Championship singles final last May. The NCAA Women's Tennis Championship was hosted by the University of Florida. Florida's women's tennis team was one of ten Gator teams to finish their respective season ranked among the top ten in the country. Six of those ten contingents ranked in the top three.

► A Decade of Success

► Since 1980, Florida's had student-athletes earn Academic SEC Honor Roll status more times (332) than any other school in the Southeastern Conference.

► When final national research is completed by *USA Today* on the 1989-90 season, it is expected that Florida will be ranked among the ten most successful overall athletic programs for the seventh consecutive year.

► Over the course of the last decade Florida teams have combined to rank in the final top ten in their respective sport an amazing 69 times. Thirty-three (33) times over the last decade Gator teams finished among the final top three squads in the nation. Twelve (12) of Florida's 16 teams finished in the final top ten in their respective sport at least once during the past decade.

► The Florida athletic program claimed at least one national title in six of the past 10 years. Overall during the past decade Florida claimed eight national team titles.

► Florida has won a total of 47 SEC titles since the start of the 1980-81 athletic year, a total representing the most league crowns for a conference member over the last decade.

► Florida's combined men's and women's athletic program ranked as the best in the SEC in each of the 1987-88 and 1988-89 seasons.

► During the past decade Gator student-athletes earned 1,004 combined All-America honors. Over that same period of time Florida athletes garnered 123 individual national titles.

► In the three Olympics held during the 1980's (1980, 1984, 1988), Florida had 57 representatives on the Olympic squads. That contingent earned 26 Olympic medals, including 15 gold medals.

► In the decade of the 1980's several firsts were achieved by Gator athletic teams. The 1988 baseball team became the first in school history to participate in the College World Series, the men's basketball team won its first SEC title in 1989 and made its first NCAA Tournament appearances (1987-1989), and the 1984 and 1985 football squads finished first in the final SEC standings for the only time in school history.

► In 1987-88, Florida was the only Div. 1A school in the nation to send its football team to a bowl game, its men's basketball team to the NCAA Tournament, and its baseball team to the College World Series.

► Florida became the first school in the nation since the merger of the NFL-AFL in the mid 1960's to have at least one player selected in the first round of the NFL draft for eight consecutive years. UF has had a player selected in the opening round of the NFL Draft every year since 1983-90. During that time period the Gators have had 12 players selected in the first round, a total that ranks first in the nation over that span.

► Florida set school records for most football wins (76) and

University of Florida track star Dennis Mitchell, a 12-time All-American, was one of 16 Gator athletes to compete in the 1988 summer Olympics in Seoul. A total of 57 University of Florida athletes have won 26 Olympic Medals in the last three Olympiads.

most bowl appearances (7) in a decade during the 1980's. The men's basketball team also set the school record for basketball wins in a decade with 157 victories during the 80's, as did the baseball team with 391 wins over the last 10 years.

► During the 1980's, Lady Gator teams earned 29 Southeastern Conference titles — more than twice the number earned by any other SEC school.

► Five Lady Gator student-athletes were honored a total of seven times with the Broderick Awards, which is given annually to the nation's top individual in each sport.

BEN HILL GRIFFIN STADIUM AT FLORIDA FIELD

Ben Hill Griffin Stadium at Florida Field has moved into the national spotlight in recent years as one of collegiate football's best stadiums, from a player and fan standpoint.

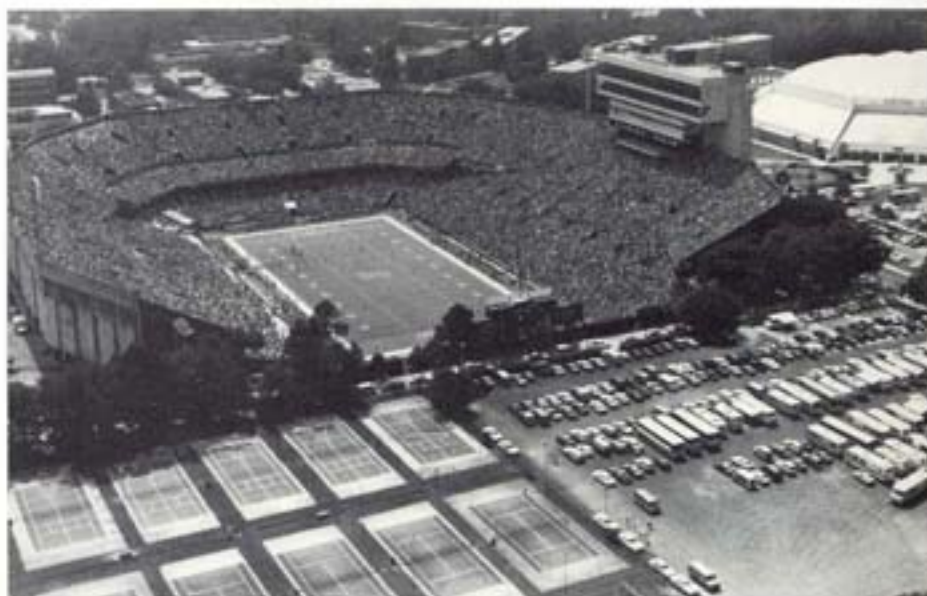

The 1990 season marks the 61st year that Florida Field is the home of the Gators. Prior to the 1989 season, Florida Field took on the expanded name of Ben Hill Griffin Stadium at Florida Field in honor of Ben Hill Griffin, Jr., a life-long Gator supporter and fan who had been extremely benevolent and generous to several sectors at the University of Florida prior to his passing last March. Florida Field was originally dedicated on Nov. 8, 1930 when Florida met Alabama. Over the years, Florida Field became a standing remembrance to all Floridians who have died in military service to our nation.

The completion of the south endzone project in August of 1982 raised the seating capacity of Florida Field to over 72,000 and gave the Gator football program one of the nation's top collegiate stadiums. Since that time, Florida has ranked in the top 15 nationally in attendance for eight consecutive years. A proposed 10,000 seat expansion of the north endzone will raise the capacity to 82,000. At that time, Ben Hill Griffin Stadium at Florida Field would become one of the eight largest on-campus stadiums in the nation.

The 18,000 seats with the 1982 expansion, concourses encircling the entire stadium, new restrooms, new concession stands and a beautiful athletic training center located beneath the stands in the south endzone, were all part of a master plan to develop athletic facilities at Florida that are second to none. The Ben Hill Griffin, Jr., Athletic Training Center, the luxury skyboxes and a spacious and highly-functional press box combined to make Florida Field the premier collegiate stadium in the state of Florida.

Also, new for the 1990 season is the all-natural grass playing surface which was installed during last summer, shortly after the arrival of head football coach Steve Spurrier. The natural grass surface replaced an artificial surface which had been in place since 1971.

The original stadium, constructed in

1930, consisted of the lower half of the current stadium. Seating capacity was 21,769. The entire stadium was constructed below ground. In 1950, over 11,000 seats were added on the west side and another 7,000 were provided by bleachers on the east side. The additions brought seating capacity to 40,116. Additional bleacher seats were added during the 1950's, bring capacity to 46,164 by 1960. In December

of 1965, construction started again on further additions that added over 10,000 permanent seats on the east side and temporary bleachers moved from the east side to the south endzone, providing a total capacity of 62,800 (56,164 permanent seats). The south endzone expansion in '82 enclosed the south end of the stadium, and brought the capacity to its current 72,000.

FLORIDA FIRST ROUND DRAFT FACTS

► The University of Florida has had at least one player selected in the first-round of the NFL Draft in each of the last eight years (1983-90), the only school in the nation to achieve that distinction.

► Florida has had 12 players selected in the first round of the NFL Draft over the last eight years (1983-90), a total that is unmatched by any other school in the nation over that time period. Florida also leads the nation with the most first-round selections in the last seven drafts (1984-90) with 11, the most picks over the course of the past six drafts (1985-90) with 10, and the most over the last two drafts with 4.

► Florida's current streak of eight consecutive years in which it has had at least one player selected in the opening round of the NFL Draft is the longest streak for any school in the nation since the merger of the NFL and AFL in the mid 1960's.

► Florida was the only school in the nation to have three players selected in the opening round of the 1989 NFL Draft.
